- A hen incubates its eggs for 21 days. How many weeks are equal to this period?

4.

- Arrange the following lengths in descending order: 900 m, 2 cm, 3 km and 400 mm
- Which one is longer between 20 centimetres of a wire and 2 metres of a thread?
- How many line segments are there in the following line?

- d) Find the perimeter of the following triangle:

- e) The perimeter of a square is 196 cm. Find the length of one side
5. The following table shows the number of pupils who completed standard seven at Muungano Primary School in four years:

Years	Number of Pupils
2014	80
2015	90
2016	95
2017	98

- a) In which year did many pupils complete standard seven?
- b) What is the total number of pupils who completed standard seven in 2014 and 2015?
- c) In which year did a least number of pupils complete standard seven?
- d) Find the difference between the number of pupils who completed in 2014 and 2017?
- e) How many pupils in total completed standard seven in those four years?

4 ENGLISH LANGUAGE NECTA 2022

SECTION A (10 Marks)

DICTATION

1. Listen carefully to the sentences read in (i) to (v) and then write them in the spaces provided.

- i) _____
- ii) _____
- iii) _____
- iv) _____
- v) _____

SECTION B (10 Marks)

VOCABULARY

2. Choose the most correct answer in (i) to (v) and write its letter in the box provided.

- i) The son of my sister is _____.
a) My niece b) my cousin c) my nephew d) my brother
- ii) The synonym of the word 'dislike' is _____.
a) Hate b) love c) hatred d) disgust

- i) These eggs are broken
- ii) He arrived late yesterday
- iii) They come from America.
- iv) Elizabeth can speak English.
- v) Our grandfather walks slowly.

4 KISWAHILI NECTA 2022

SEHEMU A (Alama 10)

1. Sikiliza kwa makini sentensi zinazosomwa kisha uziandike kwa usahihi katika nafasi zilizoachwa wazi.

- i) _____
- ii) _____
- iii) _____
- iv) _____
- v) _____

SEHEMU B (Alama 10)

2. Badili majina yafuatayo kuwa vitendo kwa kuchagua jibu sahihi kutoka kwenye mabano na kuandika kwenye nafasi iliyoachwa wazi.

- i) Somo _____ (Msomaji, soma, Msomi)
- ii) Mchezo _____ (Michezo, Mchezaji, Cheza)
- iii) Mwandiko _____ (Andika, Andiko, Mwandishi)
- iv) Kipimo _____ (Vipimo, Pima, Mpimaji)
- v) Mwaliko _____ (Mwalikwa, Mwalikaji, Alika)

SEHEMU C (Alama 10)

3. Jaza nafasi zilizo wazi kwa kuandika maana ya nahau zifuatazo:

- i) Pata jiko _____
- ii) Shingo upande _____
- iii) Ndimi mbili _____
- iv) Vaa miwani _____
- v) Zunguka mbuyu _____

SEHEMU D (Alama 10)

4. Weka alama za uandishi katika sentensi zifuatazo kwa kuandika alama sahihi katika nafasi iliyoachwa wazi:

- i) Alaa _____. Mambo gani haya _____
- ii) Je _____ huyu ni mtoto wako _____
- iii) Hekoo _____ timu yetu imepata ushindi _____
- iv) Wanafunzi waliandaa nyimbo _____ mashairi na Ngonjera _____
- v) Haa _____ Kumbe _____

SEHEMU E: (Alama 10)

5. Soma kwa makini Habari ifuatayo kisha jibu maswali yanayofuata kwa kuandika jibu sahihi katika nafasi iliyoachwa wazi.

Jina langu ni Imani. Ninasoma darasa la nne. Siku moja nilitumwa kwa bibi kuleta jagi la maziwa. Kulikuwa na giza totoro. Wakati wa kurudi nyumbani nilipita karibu na dimbwi la maji. Nilisikia sauti, "Nywaa! Nywaa! Nywaa! Kila nikijaribu kujificha nilisikia sauti hizo zikirudia, "Nywaa!" Nilidhani ninaambiwa ninywe maziwa yale. Nikaanza kunywa kwa hofu. Sauti zilipozidi nilikunywa maziwa yote.

Nilipofika nyumbani niliwaambia wazazi wangu kuwa kuna sauti za kutisha kutoka kwenye dimbwi ambazo ziliniamuru ninywe maziwa yote. Dada yangu Tumaini alicheka sana akasema, "Hizo ni sauti za chura." Pia wazazi wangu walicheka na kuniambia nisiwe mwoga.

Maswali.

- i) Je, Imani alitumwa kwa Bibi kuleta nini? _____
- ii) Nini maana ya 'giza totoro' kama ilivyotumika katika Habari uliyosoma? _____
- iii) Imani alipokuwa anarudi nyumbani alisikia nini? _____
- iv) Je, kwa nini Tumaini alicheka? _____
- v) Habari hii inatufundisha nini? _____

SENTENSI ZA IMLA

- i) Mwaka ujao ukifika tutasherehekea.
- ii) Tumepata mafunzo ya mgambo.
- iii) Alijibanza pembeni ya Nyumba.
- iv) Tunafanya usafi wa kinywa.
- v) Kitabu changu kipo maktaba.

4 CIVIC AND MORAL EDUCATION NECTA 2022**SECTION A (26 Marks)**

Answer all questions from this section.

1. Answer items (i) – (vi) by choosing the correct answer and write its letter.
 - i) A person who fulfills his/her duties as required is known as -----
 - a) An attentive person b) an obedient person c) a trustful person d) a responsible person

SECTION B (24 Marks)

Answer all questions in this section.

4. Answer items (i) – (iv) by putting a tick in the boxes provided to indicate the statement which show environmental protection or environmental destruction.

Statement	Environmental Protection	Environmental Destruction
i) A pupil carries a dustbin full of waste and threw them into the river so as to let them be carried by water		
ii) Watering a flower garden using water from a well		
iii) The school area is small. The head teacher bought a lot of cows so as to provide every child with milk tea		
iv) Mr. Daudi has planted five trees and then cut one tree to make timber		

5. Study the following picture and then answer the questions that follow.

Questions.

- a) Mention two actions shown in this picture
- i) _____
- ii) _____

iii) Which responsibility is not fulfilled by the parents of the children shown in these pictures?

iv) What are you supposed to do when you see the rights of a child are violated? -----

6. Read the following passage carefully and then answer items (a) – (d).

Communication is important and basic in any society. For example, in the past, people used traditional ways to communicate and passing information. Among those ways are horns, drums, screaming and different sounds of animals.

Recently, the means of communication have changed to a great extent of which electronic means are used to simplify communications between people. Among these modern ways are telephone, television, emails, newspapers and social networks. The modern ways of communication is a part of globalization and are available in many parts of the world.

Globalization helps in business, education, sports and even politics. Good usage of globalization brings development to the society. Bad usage of globalization can cause loss of morals, decrease in quality of education and can even be source of misunderstanding among us. Therefore, we must use globalization properly for the development of our society.

Questions.

a) From the passage, mention two modern ways of communication

i) -----

ii) -----

b) Why globalization is important in the society? -----

c) How did people communicate in the past? -----

d) Why should we use globalization in a good way? -----

4 SCIENCE AND TECHNOLOGY NECTA 2022**SECTION A (30 Marks).**

Answer all questions in this section.

1. Answer items (i) to (v) by choosing the letter of the correct answer.
 - i) Which device is used for preserving food to avoid spoiling?
a) Cupboard b) refrigerator c) bottle d) hotpot
 - ii) Which set does not represent types of cookers?
a) Charcoal cooker, electric cooker and kerosene stove
b) Electric cooker, kerosene stove and gas cooker
c) Charcoal cooker, electric cooker and gas cooker
d) Electric cooker, charcoal cooker and fire
 - iii) Which device is used to measure the correct weight of sugar?
a) A cup b) a plate c) weighing scale d) measuring cylinder
 - iv) Which characteristic of living things differentiates plants from animals?
a) Excretion b) death c) locomotion d) growth
 - v) What is the function of a machine?
a) Simplifying work b) facilitating communication c) producing commodities d) raising loads
2. Answer items (i) to (v) by matching statements about various concepts of heat energy in Group A with the corresponding concepts in Group B. write the letter of the answer in the space provided.

Group A	Answer	Group B
i) The way heat travels through iron		A. Solid
ii) spreading of heat in the water		B. Sun
iii) The way heat from the sun reaches the earth's surface		C. Fire
iv) The matter in which heat travels fast		D. Radiation
v) The natural source of heat		E. Conduction
		F. Convection
		G. liquids

3. Answer items (i) to (v) by choosing the correct way from the box and write it the space provided.

Oxygen Food Water Air Carbon dioxide Plants

- a) Which gas is used by plants as a raw material? _____
- b) Which product is obtained when different gases are combined? _____
- c) What is the source of food for living things? _____
- d) Which type of gas is directly required by animals? _____
- e) What is the source of nutrients for different body functions? _____

SECTION B (20 Marks)

Answer all questions in this section.

4. Read the following passage and then answer items (i) to (v) by writing the correct answer in the space provided.

We can consider the water that we use as safe by just looking, but may not be safe for our health. This is because when water flows on the earth it takes soil and sometimes contaminates with germs that cause diseases. Therefore, we are advised to boil water so as to kill germs. After boiling, we should filter using a clean piece of cloth so as to remove dirties. Furthermore, the boiled and filtered water is kept in a clean, well closed vessel to avoid contamination. This is now clean and safe water.

Questions.

- a) Why is it important to boil water? _____
 - b) How does water get disease – causing germs? _____
 - c) What should be done in order to make water clean and safe? _____
 - d) What tool is used to filter water? _____
 - e) Why does water kept in the vessel bearing a lid? _____
5. Investigate the following pictures and then answer items (a) to (e).

Questions.

- a) What are the names of the objects shown in the pictures?
 - i) _____
 - ii) _____
- b) What disease is transmitted by sharing those objects? _____
- c) Which method is used to identify a person affected by the disease mentioned in part (b)? _____
- d) What other way may cause the transmission of the disease mentioned in part (b)? _____
- e) Why is it advised not to isolate the victim of the disease mentioned in part (b)? _____

4 SOCIAL STUDIES NECTA 2022**SECTION A (28 Marks)**

I. Answer items (i) – (viii) by choosing the correct answer.

- i) Which historical event occurred in Tanganyika on 9/12/1961?
 - a) The Arusha Declaration b) The Union of Tanganyika and Zanzibar c) the independence of Tanganyika d) Tanganyika became Republic
- ii) The following are importance of traditional dances except -----
 - a) Maintaining our culture b) motivation to work c) getting different presents d) making the body healthy
- iii) Language, boundaries, traditions and the Government constitute -----
 - a) A nation b) a republic c) a continent d) a citizen

 - a) Speaker b) The President c) Prime Minister d) Vice President
- v) Who among the following Tanzania presidents was involved in the formation of the union of Tanganyika and Zanzibar?
 - a) Dr. Jakaya M. Kikwete b) Benjamim W. Mkapa c) Samia Suluhu Hassan d) Julius K. Nyerere
- vi) Which group comprises an orphan's family?
 - a) Mother and children b) children without parents c) children without relatives d) street children
- vii) The following were the types of feudalism in Tanzania, except -----
 - a) Umwinyi b) Ubugabire c) Nyarubanja d) Socialism
- viii) Which mode of production did all human societies pass through?
 - a) Capitalism b) socialism c) communalism d) feudalism

2. Match the items (i) – (vi) by matching the uses of tools in cleaning the school compound in List A with the respective type of tool in List B. Write the letter of the correct answer in the brackets provided.

List A	Letter	List B
i) Cutting down big trees and branches		A. Mop
ii) Pruning tree branches		B. Axe
iii) Weeding		C. Slasher
iv) Collecting rubbish		D. Hoe
v) Carrying garbage		E. Wheelbarrow
vi) Removing cobwebs		F. Broom
		G. Panga
		H. Rake

SECTION B (22 Marks)

Answer all questions in this section.

3. Read the following passage and then answer the questions that follow by writing the correct answer in the space provided.

Our district has a lot of wealth due to the natural resources which we have. These natural resources enable people to conduct different economic activities that provide a lot of money to our district. We have a river and the ocean in which fishing is conducted for food and business.

Fishing in rivers is called fresh water fishing and its fish are called fresh water fish. Fishing that is conducted in the ocean is called marine fishing and its fish are called marine fish. Fishing provides residents with employment and money. Various ways are employed in fishing depending on the area and the type of fish available. There is fishing by using fishing nets or hooks. Fishermen who use nets get more fish than those who use hooks. Nets with small holes have negative impact as they grab both big and fingerlings. Fishing of fingerlings leads to lack of fish in the area in future.

Questions.

- i) What is the importance of natural resources? _____
 - ii) Mention one advantage of fishing _____
 - iii) Which type of fish is obtained in the river? _____
 - iv) Which type of fishing is conducted in the ocean? _____
 - v) What negative impact is brought by fishing of the fingerlings? _____
 - vi) Which type of fishing provides us with abundant fish? _____
 - vii) What is the negative effect of fishing by using nets with small holes? _____
4. Standard four pupils were required to draw the map of their school. What important elements should they consider when drawing the map? Identify four elements.
- i) _____
 - ii) _____
 - iii) _____
 - iv) _____

Aziz Njozi

Akili **Schemes** of work are ready. Each scheme costs **4,000 sh.**

Akili **lesson plans** are also ready. Each lesson plan costs **25,000 sh.**

If you buy **3** schemes of work, you get **one** lesson plan of your choice as a token of appreciation.

You have every reason to be proud of our products accomplishments. We are honoured to invite you to join the wonderful world of Akilibrains. Since its founding in 2015, Akilibrains has been defined by teachers and students who endeavor to push the limits of knowledge, and who share a commitment to extending that spirit of exploration and excellence beyond school premises.

Should you choose to buy our world – class products, – and I sincerely hope you will do, – you will be challenged, and in turn you will challenge your students, to redefine the boundaries of the known, to make the one impossible, possible, and to offer contributions that stretch well beyond your immediate sphere of influence.

We are confident from your interest in our premium products that you have the intellectual energy, imagination and talent to just do that, and much more.

Welcome aboard.
