**SECTION: B (50 MARKS)**

51. Read the passage below and then answer in full sentences the questions that follow.

Ugandans must conserve the environment in order to avoid bad climatic changes that may arise such as drought and little rain. This warning was sounded to the residents of Acholi village Madi Okollo district by Mr. Mazembe Roy the District Environment Officer on 1st July, 2023 at the district headquarters in a sensitization meeting.

Mr. Mazembe advised the residents to desist from bad practices that can lead to the destruction of the environment for example over grazing, cutting down of trees for charcoal, burning of the vegetation and destroying the natural habitat for animals and birds.

He however encouraged the residents to protect forests to get adequate rain, practice modern farming methods to increase food production and plant legumes to provide nutrients to the soil. He said those who will be found guilty of destroying the environment shall be arrested by the law enforcers. The meeting which took two hours was attended by four hundred people.

\_\_\_\_\_

53. Read the poem and answer the questions about it in full sentences.

Oh! Friends and Relatives  
Here we are in the worlds of multi media  
Radios, televisions, computers, phones to mention.  
Have shortened our communication these days.  
No more, long travels but only communicate.  
To any far and near by places.

Let us be strong supporters  
Of the new media  
That have simplified our communication.  
Radio and television, broadcast news, announcements,  
Not only but also run advertisements.  
Making people aware now and then.

Bravo to all media houses  
For their contribution to the entire world  
Through new items, cartoons, sports news,  
Print media shapes reader's views  
Sports news promotes sports activities.  
News awares public of any happenings  
In all parts of the world.

Susan Okecha
