15th march 2020

Dear keza,

I hope you are keeping yourself safe from the covid 19 pandemic. For my case, I am following all the directives and guidelines strictly.

I am writing to inform you that my father has opened for me a poultry farm behind our home. He has so far brought one hundred birds. This project has kept me busy since I have to monitor the feeding of the birds and the cleaning of the poultry house. It is a good project and I expect the birds to start laying eggs soon.

I dearly inform you to request your parents to open for you a project that can help you to learn how to survive without going to office. These projects may include, piggery, poultry, baking, tailoring and farming since all of them can be done from home.

I will be glad to hear from you soon

Your friend
Ruth mukisa

52. Read the poem below, and in full sentences, answer the questions that follow.

Debating –debating –debating,
Is it a hobby or a war of words?
When the chairperson opens the debate,
And proposers spring into action,
Opposers throw in points of information,
You may just wonder their intentions.

A speaker raises a point of information,
The chairperson thinks it's just an inquiry,
Listen as the argument heats up,
But the speaker's time is up,
The timekeeper rings the bell.

The secretary has been jotting points,
The points proposed and those opposed,
Which side will carry the motion?
The one that has followed the rules,
And the one that knows how to argue,
Then the winner is made known.
