SECTION B:

51. Read the passage below carefully and, in full sentences, answer the questions that follow.

MASS MEDIA IN MY COUNTRY

My country, Uganda, is privileged with a plenty of mass media. These are divided into two categories i.e. print media and electronic media. The radio and television have brought dynamics in our communities. This is because they both broadcast a number of programmes for people to listen to or watch on daily basis.

The radio for example broadcasts news, announcements and music of all types like gospel, pop, etc. All the programmes on either the radio or television are handled by men and women known as presenters. They also help listeners to know about weather forecast as they prepare for different activities.

The business people also need the radio and television to disseminate information to their clients through advertisements. Those who like entertainment use the flash discs, compact discs, digital video discs and VCDS. They also tune to audio music on their flash discs and memory cards.

Questions.
