SECTION B

Read the passage below carefully and then answer in full sentences the questions that follow.

51. Musinguzi and I used to be good friends, we could do everything together like playing, eating and many others. What made our friendship come to an end was change in his life style. When we joined P.7 in 2019, he became very serious. At break time, he started spending most of his time revising his notes. At lunch time, he did the same. One time we tried to invite him to join us for our daily football game, but he refused, I got disappointed because he wasn't like this before. I remember, we could chit-chat during lessons, even when we were seated apart, we could exchange short written notes on small sheets of paper. Musinguzi put all this to an end the moment we became candidates.

There was a day I led him into a dialogue when the teacher of English was teaching, but he ignored me. When the lesson ended, I asked him why he didn't want to talk to me any more. He answered, "we need to concentrate if we want to achieve our targets." I continued to ask him why he became more serious in question 7. He gave me an example of athletes. When as athlete near the finishing point, they increase speed candidates too need to do it.

By the time he completed his last statement. My new friend had started calling me to escort them to the toilet while the next teacher was entering, we were moving out of the classroom. We spent almost ten minute minutes in the toilet, doing nothing but conversing. Musinguzi found us there and left us there. He told us that we were missing science in class but we ignored him.

Soon the month, of November came. We did our examinations and the next year the results came out Musinguzi scored aggregate four, I scored aggregate thirteen while my new friend scored twenty. Musinguzi joined his first choice school ST. HENRY'S KITOVU whereas I was rejected even by my third choice. My parents tried everything they could, but nothing happened. They told me it was my fault.

Had I concentrated, I would have joined BLESSED SACRAMENT KIMAANYA. I am now here in Takataka senior secondary school suffering locally.

I have promised myself to choose friends wisely to be serious in all classes and to double the seriousness when I reach a candidate class. With all my resolutions, I am certain that I will make my parents, my teachers and myself happy.

For entertainment, music we play
Pop, gospel or slow music?
Just record it on a CD.

On television, different presenters,
Smartly dressed for talk shows sports etc
Just tune on never will you regret.
