### SECTION B: 50 MARKS

51. Read the passage below carefully and then answer, in full sentences, the questions that follow.

It was holiday time and most of the children in the neighbourhood had come back from school. We had a lot of time to play in the evening. Our favourite game was hide and seek. This game became boring with time as we knew all the hiding places.

One day, we decided to make vehicles. We wanted to see who would make a better one. I wanted to win this. I moved to Simba Garage. I asked the mechanic to give me the old spokes. The mechanic happily allowed me to pick them from the heap of rubbish. I also needed some rubber bands to tie the spokes. The mechanic gave me an old tyre which I cut. I also needed wheels for my car. I knew the old slippers would serve that purpose. I got some and cut out the wheels.

Since I had got all the materials that I needed, I sat at home and made my vehicle. I made it in two days. I then checked on my friends to see how far they had gone with theirs. My friend Lulu had hers out of a jerrycan. It looked beautiful though mine was stronger. Jacob had made his vehicle out of a box. Beka had failed to make his because he did not get the materials. We proudly drove our toy vehicles around the village. All the children admired them.
