51. **Read the passage below carefully and then answer, in full sentences, the questions that follow.**

Last term, the Primary Six class of Agagu Primary School travelled to Kasese for a tour. Since their school bus had broken down, they hired the bus for Lukaatu Junior Academy which transported them safely to their destination. Before the pupils started the journey, they prayed for journey mercies. The prayer was led by Mategga Daniel, the class monitor.

At nine o'clock in the morning, the bus set off from the school compound. The girls started singing loudly as the boys were conversing softly. It was all fun in the school bus. The passengers were the teachers and pupils, so there were no strangers in the bus. Although the pupils were going on tour, they did not carry luggage. They put their money in their pockets. This was for buying food on the way. The school bags which would be the luggage were not necessary. The notebooks in which the pupils had written the questions to ask the tour guides were easy to carry in the hands.

While travelling, the pupils saw Kazinga Channel on the way. There was beautiful scenery at the channel. The driver had to stop for the pupils to see the features. After forty minutes, the driver **restarted** the bus. He drove up to the trading centre where the pupils came out and bought some snacks and drinks. When they

left this place, the bus did not stop again. Most pupils were already tired. Some of them slept on the seats while others enjoyed looking at mountains, hills and valleys through the windows. At exactly midday, the class arrived at their **destination**. They toured Kirembe Mines, Hiima cement, Mubuku Irrigation Scheme and Lake Katwe. 54. Read the poem below and then answer, in full sentences, the questions that follow;

Post Office, you are a special office to me.
You offer mail services to me daily
My letters and packages you transport for me
Proud I am of your services and your existence
You have made **communication** through letters easy for me.

Post Office, you don't give stress at all
Stamps you sell cheaply to me to stick on my letters
To show that I have paid the postage
Before I put my letters in envelopes and in parcels
To prevent wrong people from reading my messages.

Post Office, you gave a private box to use
And registered letters I now send to my friends and relatives
Aerogrammes, the letters sent by air reach me safely
Through my Post Office Box Number
Proud I am of your existence.

Post Office, you allow me to use the postcard
And send messages by post without an envelope
You handle money orders besides letters
And pay my parents on my orders in writing
Proud I am of your services and existence
