SECTION B. (50 marks)

This is the time to prepare and harvest what has been sown. As the farmer toils and prepares the land for beautiful harvest so does the examinee undergo the hectic process for the best aggregate.

Before the process, a learner prepares by coming and attending classes daily, following the timetable closely and listening to teachers attentively. The best learner utilizes ones teachers; reads ahead and goes to teachers for more enlightenment on some topics. Surprisingly, the some lazy learners come to school. When the teacher is explaining, one blankets the seat and dreams of things irrelevant to what is going on.

Time of exam, the director of studies draws the examinations timetable a week before. On the actual day, supervisors and invigilators are allocated classes for supervision. Many times these invigilators take a keen eye to prevent examination malpractices. Cheats normally enter the room with work on pieces

of paper, thighs, handkerchiefs and hems of their shorts. Eventually the cheats are caught and sent out of the rooms and disqualified.

Culprits suffer greatly the exercise: socially, classmates distant themselves from these pupils, mentally, there are tortured within their mind with a lot of questions, spiritually, they feel guilty of the act and feel sinful.

In order to remain sober, an advice to all those studying, devote whole heartedly to studying and utilize availability of your teachers.
