**SECTION B: 50 marks**

51. Read the passage below carefully and, in full sentences, answer the questions that follow.

**GOOD BEHAVIOUR**

Maureen Nampijja is a pupil in primary four at Nagulu-Katale Primary School located in Nakawa Division, Kampala District.

Before going to school every day, Nampijja says a prayer after waking up, she greets her parents, Mr. Ssempijja Vianey and Mrs Sempijja Brenda. She then takes a bath and has breakfast. After that she picks her bag and walks to school, which is half a kilometre from her home.

On reaching school, Nampijja greets her class teacher, Mr Kamiro Edward and any other teachers she finds in the classroom. She does not only stop at that, but also greets her seatmates and other pupils in the classroom. Nampijja uses courteous words appropriately. When she wants to move out of her classroom to relieve herself, Nampijja politely seeks permission from the teacher handling the lesson at that time.

Owing to her good behaviour, Nampijja has made more friends at school, including most teachers. For example, last term she received a present for being the most disciplined pupil in primary four. This also made her parents happy and proud of her. They have since promised to buy her a new pair of shoes and a watch during the holidays.
