SECTION B

- 51) **Read the passage below carefully and answer, in full sentences, the questions that follow.**

One evening, while Mugisha was listening to news on radio read by Kabanda, he heard that the PLE results for 2019 had been released. Mugisha became worried because he was one of the candidates.

Releasing the results at the ministry headquarters, the Hoourable Minister of Education and Sports was happy to note that most of the candidates had passed.

The general performance showed that Mathematics was the best done subject. The minister congratulated the teachers of Mathematics upon overcoming the old thinking that the subject was hard. She hoped that the country would be able to produce more engineers and doctors.

She thanked the pupils who had worked had worked hard to produce the wonderful results. She also thanked the teachers who had taught those young men and women tirelessly. She was happy with parents who send their children to school. However, she warned those parents who pull out their children to stop the habit or else the law would deal with them.

The minister also said that she was releasing the results because the exams had been done without malpractice.

Questions

a) Who read the news on the radio?

b) Why did Mugisha become worried?

c) Why was the minister happy with the results?

d) What was the old thinking about Mathematics?

e) What habit did the minister tell the parents to stop?

f) Why did the minister say that the results were true?

g) What would happen to parents who pull children out of school?

h) What was the best done subject that year?

i) For what reason was the minister happy with parents?

- j) Give one word or group of words to mean the same as habit as used in the passage.
-

52) **Read the following poem carefully and then answer, in full sentences, the questions that follow.**

Teacher says your name is Malaria
That your parent is an insect
That insect with many legs.
Which sucks hungrily people's blood.
Where it puts you to live.

Last week doctor saw you in my blood
Your parent had injected you into it
You lived in my blood for days
But doctor found you there hiding
Giving me fever and headache

A whole week no school for me
Couldn't drink or eat anything
You couldn't let me play games
And couldn't revise my books for examination
Coming just a week after

Doctor saw you many in my blood
He wrote something for nurse
Nurse read it and prepared a syringe
I lay on the bed head down
And closed my red eyes and waited.

Questions

- a) Who is Malaria's parent?

- b) Where does Malaria live?

- c) What does the parent of malaria feed on?

- d) Mention one of the things the writer failed to do to get ready for examination.
