51. Read the passage below carefully and answer in full sentences the questions that follow.

When I was in Primary Five, I visited Motomoto Garage I wanted to see how vehicle repair was being done. I picked interest after Mr. Mugerwa Stephen had taught us the topic of Vehicle Repair and Maintenance.

Reaching the garage, I was warmly welcomed by the owner of the garage, Mr. Magidu Abdu. I immediately told him what had taken me there. He showed me a toolbox, where all the tools were kept. He opened it and showed me the tools one by one. I saw a jack. It is used for raising vehicles off the ground. I also saw a pair of pliers. It is used for cutting wires.

I had an opportunity of watching a mechanic repair a car which had got a puncture. The mechanic was clad in a green overall. He first raised the car off the ground. Next, he loosened the nuts of the tyre using a spanner and removed it off. Then he removed the tube and repaired it using a patch and rubber solution.

Finally, he placed the tube in the tyre and inflated it using a pump. He fixed the tyre back onto the car and tightened the nuts.
What an interesting visit it was!
