#### SECTION. B (50 MARKS)

51. Read the passage below and answer, in full sentences, the questions that follow.

Everyone in this world has a pal. A pal is a person you know well and like. People usually befriend those from whom they expect help in time of need.

For me, my pal is not a person. My pal is a mobile phone. He is so obedient that he accepts to go with me whenever I go. At school, my pal helps me a lot. He assists me to search for information on the Internet. I am able to get notes for reading with the help of him. This has helped me to improve on my academic performance. His alarm clock helps me to manage my time. I have never been late for the class since he became my friend. He always wakes me up on time.

When I am at home, my pal helps me in communication. I communicate with my relatives living near and far away easily. Through him I am able to get news about them. Whenever I am bored, I request him to entertain me. He provides me entertainment in

form of music. His videos and audios are very interesting modern camera which helps me to take photographs.

All in all I have the best pal. Without him, I feel incomplete and worried. What a good friend I have! I advise everyone to have a pal as mine.
