A small spherical object
Is the center of attraction
In a soccer match
Every player on the pitch
Ever ready to receive the object
And direct it to the opponent side
All aiming at one thing
To kick it into the net
And celebrate a goal
A referee is the official in charge
Who ensures that game rules are followed
He must be ever watchful

With a whistle in his hands
That he uses to communicate

Soccer, a match full of fun
Played by two teams
Each of eleven players at a time
Dressed in jerseys
Each team can make substitution
In case a player is tired or injured
The coaches never settle
Ever restless during the match
Just like a hen, that wants to drop an egg
Spectators swamped around the pitch
Chanting to express the support
