## SECTION B

1. Read the passage below carefully and then answer the questions that follow in sentences.

Never shall I forget the dreadful night. The night full of excitement and sorrow. Our teacher of English had just taught us about electronic media.

During the lesson, he read a story in which a certain boy had wanted to enter into a television set to join the dancers on the show to dance his favourite song "Bolingo bolingo like this!" in fact the lesson was so interesting that we all didn't want it to end.

That day, everything during the lesson that interested me remained stuck on my mind. This went on until bed time. As usual, at about half past nine O'clock in the evening, I went to bed. Having covered myself, I soon forgot everything. Later in the night I dreamt that we were attending Jaila's thirteen birthday party at wonder world. Shiru, the DJ kept mixing the music non-stop that we danced until our tiny thin legs ached.

Soon the party ended and we were on our way back home by taxi. While traveling, I couldn't help thinking about the interesting lesson, the dance strokes of Bolingo, the birthday party and then DJ Shiru's remix. My mind was full to the brim. No sooner had the thoughts overwhelmed than I saw lorry speeding taxi in a head -on -collision with a huge FUSO lorry going in the opposite direction. "Jesus" Mummy!! Hail Mary mother of God! Ouch!" we shouted in different tongues as we died painfully.

I was only luck to suddenly find myself on my little bed with a narrow blanket sweating profusely with pulsating heartbeat.

You season of rain!  
A friend to farmers whenever you come  
For their crops flourish  
Your water we all need  
Plentiful food to eat and store we have.

You season of rain!  
All creatures welcome you in peace  
Plentiful water you give  
And green the environment becomes  
Making life so enjoyable.

You season of rain!  
But other times, you season of rain  
Your bad side you show us  
So angry you become  
And send rivers to our homes and gardens  
Why did you sweep our siblings?

You season of rain!  
Five graves I have on the graveyard  
A total orphan I am  
Even some mountains have fear for you  
Cracking and falling over when you come  
What a danger you are!
