(Rewrite as one sentence using:.....too.....to.....)

.....

.....

50. UBC Radio broadcasts International news.

(Rewrite the sentence beginning: International news.....)

.....

.....

## Section B

*(Questions 51-55 carry 10 marks each)*

51. *Read the passage below and then answer, in full sentences, the questions that follow.*

School holidays are very important in our lives. After the end of term exams, pupils start talking about nothing but their holiday plans. Several of them plan to visit their relatives in the villages and others to play all sorts of games with their cousins, nephews, nieces, friends and siblings.

In the first term holiday, I visited my maternal aunt, Lucy who lives in Kyegewa village. The village is on the shores of Lake Kyoga, so most people carry out fishing as their main occupation. When I got there, I was very excited. It was my opportunity to see my cousins Magola and Kakaire again after almost four years.

During the three-week holiday, I would go with Magola to sell smoked fish in Kadyeri market. It was very interesting for me to learn how to convince customers to buy from our stall. At the end of the holiday, aunt Lucy bought for me a new leather suit case to appreciate for my hard work.

The next day, I returned home to prepare myself for the new term. Mummy was happy to see me and my new suitcase. Not a single child in Kagoma village had such a beautiful suit case. It was my golden chance to show off.

On Monday morning, I boarded a taxi at the nearby stage. When I reached my destination, I got off. The conductor pulled out my suit case out little did I know that it was a wrong one. When I reached school, my class teacher was waiting to receive me for the new term. There was a big label on his table welcome back to Kasenyi central School. The teacher asked for the requirements. I quickly got my keys to open my new suitcase. To my shock, the keys could not open. The teacher tried to help me but all in vain. It was a wrong suitcase! I was very disappointed.

#### Questions

- a. What do pupils talk about after their end of term exams?

.....  
.....

- b. Where did the writer spend his first term holiday?

.....  
.....

- c. Why was the writer excited to visit his aunt?

.....  
.....

- d. With whom did the writer go to the market to sell smoked fish?

.....  
.....

- e. How did Aunt Lucy appreciate the writer?

.....  
.....

- f. Write one sentence from the story that shows that the writer was very excited to get a new suitcase?

.....  
.....  
.....

- g. What is the writer's school?

.....  
.....  
.....

- h. Why was the writer shocked?

.....  
.....  
.....

- i. Write another word or group of words with similar meanings to.

- (i) siblings.....  
(ii) disappointed.....

52. Study the poem below carefully and answer the questions that follow in full sentences.

Examinations      Examinations  
What a great king you are!  
With powers all over Ugandan schools  
With your palace in Ntinda

UNEB workers sleeplessly planning  
Teachers restlessly preparing candidates  
Candidates worn out revising  
All parents on their knees

Poor handwriting, a sin  
Poor memory, harmful and dangerous  
Absenteeism is very wrong,  
Cheating, a crime

Doctors depend on your science  
Engineers use your Maths  
Journalists speak your English  
And talkative politicians depend your social studies.

Alex Mwesigye

**Questions**

a) According to the poem, what is the palace of examinations?

.....  
.....

b) Who are restless because of examinations?

.....  
.....

c) How do the parents behave because of examinations?

.....  
.....

d) How many stanzas are in this poem?

.....  
.....

e) Which people do you think depend on numbers according to the poem?

.....  
.....

f) According to the poem, what is dangerous?

.....  
.....

g) Who is the poet?

.....  
.....

h) Why do you think politicians are talkative?

.....  
.....

i) Give a word to mean the same as the following as used in the poem

(i) worn out.....

(ii) cheating.....

53. *Mr. Mugarura is the Head-teacher of Kasenyi Primary school Hoima. The information below was found in his dairy. Study it carefully and in full sentences answer the questions that follow.*

Day	Activity	Purpose
Monday 8 <sup>th</sup> .Oct.2018	To host the District Inspector of Schools-Hoima.(11:00am-1:00pm)	Check on the new classroom block
Tues 9 <sup>th</sup> Oct.2018	Attend Head teachers' meeting (9:00am -11:00a.m)	Review annual work plan for 2018

27-28		
29-30		
31-32		
<b>TOTAL</b>		

## **SECTION A: (40 marks)**

1. Add:  $24 + 11$

2. Describe the shaded region below.

3. Simplify:  $4k + 3y - k + 2y$

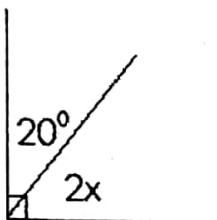

4. Work out:  ${}^+5 + {}^-4$ .

5. Alado had bank notes numbered consecutively from AZ000360 to AZ00379. If each note was worth sh. 10,000, calculate the total amount of money she had.

6. Queen Elizabeth died at the age of XCVI years. Express her age in Hindu Arabic numerals.

7. The cost of a half kilogram of maize flour is sh. 800. How much money does one need to buy 7kg of the same type of flour?

8. Find the value of  $x$  in the figure below

9. Increase sh. 5000 by 30%.

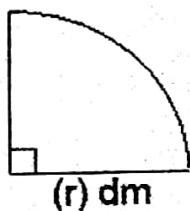

10. Work out:

$$\begin{array}{r} 101_{\text{two}} \\ + 110_{\text{two}} \\ \hline \end{array}$$

11. Given that set A {a, b, c, d}. How many subsets are in set A?

12. The exchange rate at Stanchart Forex Bureau is Ksh.1 = Ugsh. 35. How much money in Uganda shillings will Abigail get if she has 2000 Kenya shillings?

13. Below is a quadrant whose area is  $0.385 \text{ dm}^2$ . Calculate its radius(r)

14. Round off 63.92 to the nearest tenths.

15. If today is a Wednesday, What day of the week will be 19 days from today?

16. Solve:  $3(n - 6) = 12$ .

17. Using a ruler, a pencil and a pair of compasses construct an angle of  $105^\circ$ .

18. A forty minute lesson ended at 11:50 am. At what time did it start?

19. Given that  stands for 12 trees. How many trees are represented by  

20. Represent 19 using tallies.

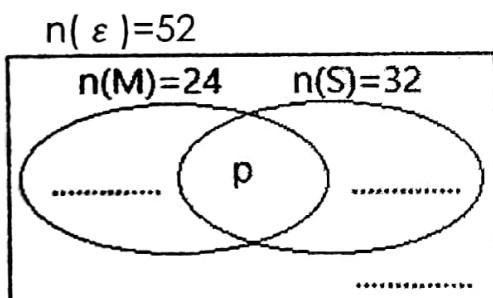

## **SECTION B: (60 marks)**

21. Jerry, Tom and Bob shared some money in the ratio of 3:1:7 respectively.
- a) If Bob got sh. 42,000 more than Jerry and Tom, how much money did they share altogether? **(03 marks)**
- b) How much money did Jerry get? **(02 marks)**
22. Okurut deposited sh.200, 000 in a saving scheme that offers an interest rate of 10% per annum for a period of 2 years.
- a) How much interest did he get at the end of 2 years? **(02 marks)**

- b) If he decided to withdraw his money after 2 years, how much money will he withdraw from the scheme? **(02 marks)**

23. In a class of 52 pupils, 24 pupils like Mathematics (M), 32 pupils like Science (S), P pupils like both subjects while 6 pupils like neither of the two subjects.

- a) Use the above information to complete Venn diagram below. **(03 marks)**

- b) Find the value of P. **(02 marks)**

24. Businge went shopping and bought the following items.

- $1\frac{1}{2}$  bars of soap at sh. 4000 each bar.
- 2 kg of posho at sh.2, 000 per kg.
- 3 litres of cooking oil at sh.12, 000.
- 2 kg of rice at sh.3,000 per kg

a) Work out his total expenditure **(04 marks)**

b) If she was given a 10% discount , how much money did she pay?  
**(02 marks)**

25. a) Using a pair of Compasses, a ruler and a pencil, construct a square PQRS where line PQ = 6cm  
**(04 marks)**

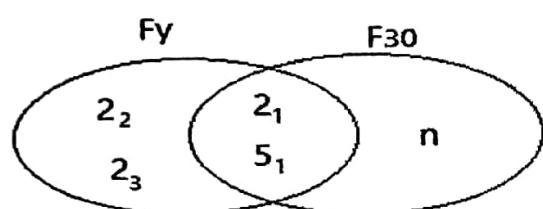

b) Measure diagonal PR. **(01 mark)**

26. A bus left Jinja for Kampala at 8:20 a.m. And reached at 10:20 a.m moving at a speed of 60km/hr.
- a) How long did it take? **(01 mark)**
- b) How much longer would the bus take to cover the same distance if it moved at a speed of 40km/hr? **(03 marks)**
27. Below is a series of marks scored by a group of p.6 pupils in the Beginning of term examinations.  
55, 60, 40, 60, 55, 80, 60, 40, 60, 70
- a) Calculate the modal mark **(02 marks)**
- b) Find their modal frequency. **(01 mark)**

c) Work out the mean mark.

(02 marks)

28. Study the diagram and use it to answer the following questions.

a) Find the values of

i)  $y$

(02 marks)

ii)  $n$

(02 marks)

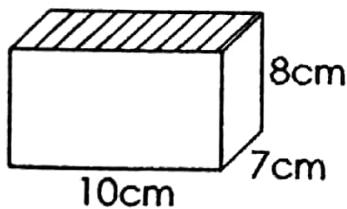

b) Workout the LCM of  $y$  and 30.

(02 marks)

29. a) Arrange  $\frac{3}{4}, \frac{1}{6}, \frac{2}{3}$  in descending order. **(03 marks)**

b) Workout: 
$$\frac{0.36 \times 1.2}{0.4 \times 0.3}$$
 **(02 marks)**

30. The figure below show a rectangular tank. Use it to answer the following questions.

a) How many vertices has the figure above? **(01 mark)**

b) Work out the volume of the figure. **(02 marks)**

c) Find the total surface area. **(02 marks)**

31. a) Add  $40^{\circ}$  to the complement of  $60^{\circ}$  **(02 marks)**

b) What angle is two thirds of its supplement? **(03 marks)**

32. Achen is 10 years older than Apio. In four years' time, the ratio in their age will be two to three. How old is Achen? **(04 marks)**

.....  
.....  
.....  
.....

(b) Name two vegetable crops commonly grown in a nursery bed.

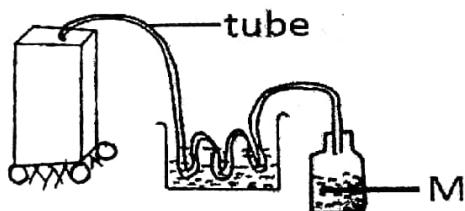

(i) .....

(ii) .....

(c) Give one way in which a farmer can care for crops in a nursery bed.

**46.** The diagram below shows one of the methods of preparing alcohol.

Study and use it to answer questions that follow.

(a) Name the method used for making alcohol in the diagram above.

.....  
.....

(b) What scientific name is given to substance M?

.....  
.....

(c) Why is the tube passed through cold water?

.....  
.....

(d) Name one body organ which is damaged by excessive drinking of alcohol

.....  
.....  
.....

**47. Give any two examples of musical instruments in sound.**

- (i) .....
- (ii) .....

(b) How is echo useful to bat?

.....  
.....  
.....

(c) Give any one way controlling echo in cinema halls.

.....  
.....  
.....

**48. Match the words in list A with those in list B correctly**

**List A**

- (a) Pupil  
(b) Eyelids  
(c) Retina  
(d) Iris

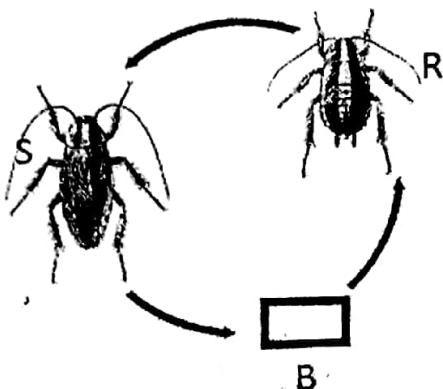

**list B**

- aperture  
diaphragm  
film  
shutter

**Correct order**

- (a) Pupil.....  
(b) Eyelids .....
- (c) Retina.....  
(d) Iris .....

**49. The diagram below shows a life cycle of an insect. Use it to answer questions.**

**(a) Name one insect with such life cycle.**

.....

**(b) Name the stage at R**

.....  
.....

**(c) Why is the insect at stage S called a vector?**

.....  
.....

**(d) What type of life cycle is shown in the diagram above?**

.....

**50. (a) Mention any two soil examples soil pollutants**

**(i)** .....

**(ii)** .....

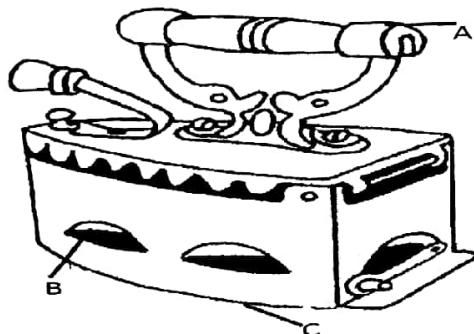

**(b) State one way in which polythene affect soil.**

.....  
.....

(c) Of what importance is an earthworm to the soil?

.....  
.....  
.....
