## P.L.E MOCK EXAMINATIONS 2023

### PRIMARY SEVEN MATHEMATICS

*Time Allowed: 2 Hours 30 Minutes*

EMIS NUMBER	PERSONAL NO.				
Index No.					

Candidate's Name.....

Candidate's Signature:.....

School Name:.....

District:.....

#### Read the following instructions carefully.

1. This paper has **two Sections: A and B**.
2. Answer **all** questions. All answers to both sections A and B must be written in the spaces provided
3. **All** answers must be done using a blue or black-ball-point pen or fountain pen.
4. Unnecessary changes of work may lead to loss of marks.
5. Any handwriting that cannot be easily read may lead to loss of marks.
6. Do not fill anything in the boxes shown  
**"For Examiners' Use Only"**

FOR EXAMINER'S USE ONLY		
Qn. No	Marks	EXRS' NO.
1-5		
6-10		
11-15		
16-20		
21-22		
23-24		
25-26		
27-28		
29-30		
31-32		
<b>TOTAL</b>		

**Turn Over**

**SECTION A (40 MARKS)**

1. Divide 39 by 3

2. Write: "One hundred sixty four" in Roman numerals.

3. Given that set  $M=\{\text{All triangular numbers less than } 10\}$ , find the number of subsets in set  $M$ .

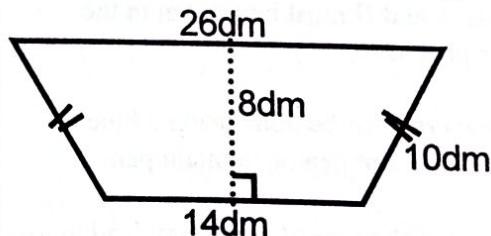

4. Reduce 640kg by  $12\frac{1}{2}\%$

5. Find the next number in the sequence below.

27, 26, 23, 18, 11, \_\_\_\_\_

6. A football match ended at 5:35pm. If it took 90 minutes, at what time did it start?

7. Calculate the area of the figure below.

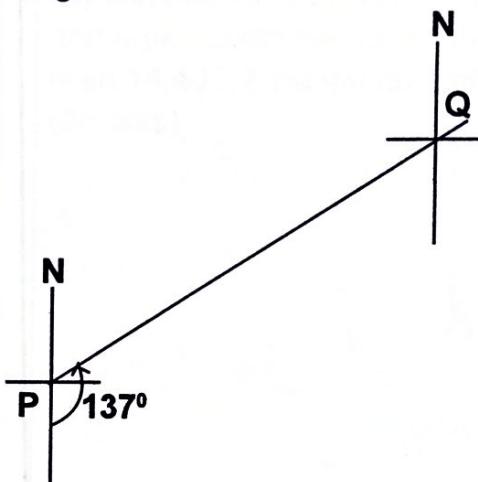

8. Arrange the following numbers given below starting with the smallest to the biggest. -6, +3, -2, 0, +5 and -9

11. Solve:  $-3(6-2w)=36$

9. Work out the mean of :  $(n-2)$ , 14, 13, 15, and  $4n$ .

12. What is the bearing of P from Q in the diagram below?

10. A trader bought a tray of eggs at sh. 12,500 and later sold each egg at sh. 500. Calculate his profit.

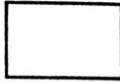

13. Evaluate:  $\frac{2}{7} + \frac{2}{3} \div 2$

16. The interior angles sum of a regular polygon is  $540^\circ$ . Calculate its number of sides.

14. Without dividing show that 1,496 is completely divisible by 11.

15. Express 0.0006 in scientific notation.

17. Workout  $+3 \times +2$  using the number line given below.

18. Work out: 5 0 4 3

$$\begin{array}{r} \\ - 2 8 7 9 \end{array}$$

---

19. A motorist covered a distance of 45 metres in 3 seconds. Calculate his speed in Km/h.

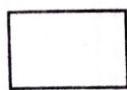

20. A trader deposited twenty thousand shillings note worth sh.2,000,000 in DFCU bank. If the last note serial number is ED6320517. Find the first note serial number.

### SECTION B (60marks)

21. (a) Given that,  $P=8$ ,  $q=r = -6$ .  
Find the value of  $P+qr$ . (2marks)

(b) The cost of a book is sh. $(P+1800)$  and a pen costs half of it. Their total cost is sh.14,400. Find the cost of a book.  
(3marks)

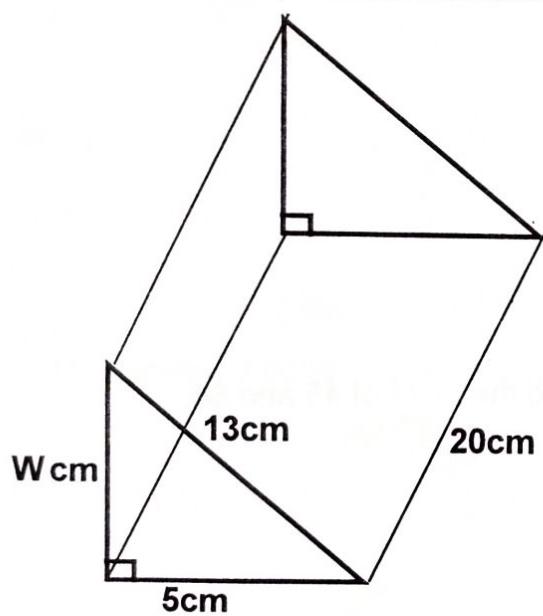

22. (a) Find the LCM of 45 and 54.  
(2marks)

(b) In a school, lessons in lower, middle and upper classes take intervals of 30minutes, 40minutes and 1 hour respectively. If all the lessons started at 8:30am. At what time will they start together again? (3marks)

(b) Calculate the total surface area of the above figure. (2marks)

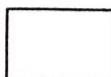

23. The figure below is a triangular prism.  
Use it to answer questions that follow.

(a) Find the value of **W**. (2marks)

24. (a) Simplify  $\frac{0.36 + 0.24}{0.4 \times 0.3}$  (3marks)

(b) Calculate the simple interest on shs.180,000 at the rate of 5% per month for  $1\frac{1}{2}$  years. (2marks)

25. Using a ruler, a pencil and a pair of compasses only, construct a parallelogram **KLMN** where **KL=6cm**, **LM=4.5cm** and angle **KLM=120°**. Drop a perpendicular line from point N to meet line **KL** at T. (5marks)

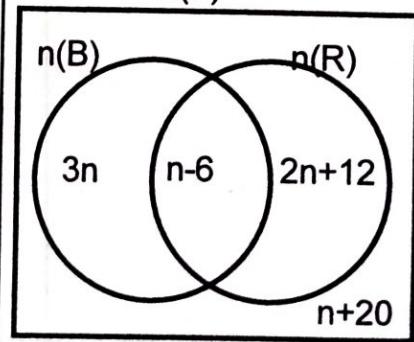

26. (a) Change 7:50pm into 24hour clock system. (2marks)

(b) A motor boat took  $3\frac{1}{4}$  hours to travel from port A to port B. If the speed was 48km/hr. Calculate the distance between the two places. (2marks)

(b) Measure the length of **NT**. (1mark)

27. The venn diagram below shows farmers who grow beans (B) and Rice (R). Use it to answer questions below.

$$n(\Sigma)$$

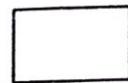

(a) If the number of farmers who grow neither of the two crops is 3 times those who grow both crops. Find the value of n. (2marks)

(b) How many farmers grow rice? (2marks)

(c) If a farmer is chosen at random what is the probability that he/she grows both crops? (1mark)

28. Below is a frequency table. Fill in the missing numbers. (5marks)

Scores	Tallies	Fre-quency	Total
13	—	2	26
8	III	3	—
—	HHH	5	50
6	HHH III	8	48
14	HHH II	—	98
Total			—

29. At a graduation party a mother prepared juice and packed it in a rectangular container measuring 60cm by 40cm by 50cm.

(a) Calculate the volume of the container. (2marks)

(b) How many litres of Juice can it hold when it is completely full? (2marks)

(c) If all guests were served with a 500ml cup of juice each, how many guests attended the party? (2marks)

(b) Brown from Untied Kingdom has 360 pound sterlings. How much money will he get in Kenya shillings?(3marks)

30. Below is the exchange rates at Virah Forex Bureau.

1pound sterling - Ug.shs.4,500

1 K. shilling - Ug. shs.30

(a) Omondi has K.shs.2,480. How much money can he get in Uganda shillings? (2marks)

31. The table below shows the arrival and departure time for a bus from Gulu City to Tororo. Study it and answer questions that follow.

Towns	Arrival time	Departure time
Gulu	_____	8:15am
Lira	10:30am	10:40am
Soroti	11:55am	12:05pm
Mbale	2:25pm	2:40pm
Tororo	4:15pm	_____

(a) How long did the bus take to travel from Lira to Soroti? (2marks)

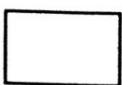

(b) Express the time the bus left Soroti in 24hour clock system. (1mark)

(c) If the bus was travelling from Gulu to Tororo at a speed of  $67\frac{1}{4}$ km/hr, calculate the distance between the two towns. (3marks)

32. (a) Work out: (2marks)

$$\begin{array}{r} 3 \ 1 \ 0 \ 2 \\ - 1 \ 2 \ 3 \ 1 \\ \hline \end{array} \text{four}$$

(b) Convert  $68_{\text{ten}}$  to senary system. (2marks)

### **SECTION A: 40 MARKS**

1. Name the world continent crossed by three major lines of latitude.

---

2. Why does river Congo carry a large volume of water as it reaches the sea?

---

3. Apart from farming mention any one economic activity carried out in plateau areas of East Africa.

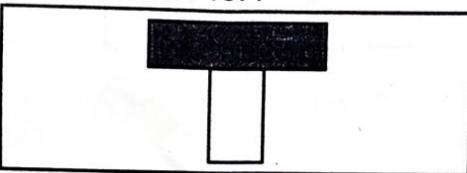

---

4. Why is it important for schools to make budget annually?

---

5. Give any one official language used during the UN general assembly.

---

6. What does the road sign below stand for?  

- 
7. State any one environmental problem caused by charcoal burning in an area.

---

  8. Why should exporters of flowers use aeroplane as the best means of transport?

---

  9. Give one way a family can curb indiscipline in a home.

---

  10. Mention any one way the government of Uganda is trying to fight poverty among her citizens today.

---

  11. Which stanza of the Uganda National Anthem praises Uganda's fertile soil?

---

  12. Why did Sir Hesketh Bell encourage the growing of cash crops in Uganda?

---

  13. What role is the government of Uganda playing to discourage sexual deviations in the country?

---

  14. Give one way in which the coming of European Missionaries improved education system in Uganda.

---

  15. Mention any one characteristic of a good tax in the country.

---

  16. In the space below, draw a map of a car.

17. What is meant by hinterland?

18. How was the rift valley formed?

19. Name the place where weather is recorded.

20. Mention any one factor needed for industrial development in a country.

21. It is 4:00pm in Accra. What time will it be at a place  $30^{\circ}$  West of the Prime Meridian?

22. Why was West Africa referred to as the "**white Man's grave**"?

23. Write ECOWAS in full.

24. Give any one problem that corruption can cause in a country.

25. How did Semei Kakungulu promote environmental conservation in Eastern Uganda?

26. Why is a Museum important in a country?

27. Mention any one problem facing wildlife conservation in Uganda.

28. Give any one duty of a member of parliament.

29. How important is it for Uganda to be a member of the East African Community?

30. Give the similarity between the Chagga and Bagisu in terms of their settlement.

31. State any one problem the Nilotes faced during their migration.

32. What type of lake is Lake Bunyonyi?

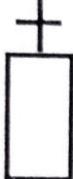

33. Why was the **1955 Namirembe Agreement** signed in Uganda?

34. Give one information given during school health parade.

35. Name the body responsible for Air transport in Uganda.

For each of the questions 36 to 40, answer EITHER Christianity OR Islamic questions but NOT BOTH. No marks will be awarded to a candidate who attempts both alternatives in a particular number.

36. Either: What does the symbol below represent?

---

OR: What does the symbol below represent?

---

37. Either: Mention one way a Christian child can avoid temptation.

---

OR: Mention one way a Muslim child can avoid temptation.

---

38. Either: How did God show the value of work to people?

---

OR: How did Allah show the value of work to people?

---

39. Either: Name the son of Jacob sold to Egypt by his brothers.

---

OR: Name the son of Yakub sold to Egypt by his brothers.

---

40. Either: Give one reason why the Jews hated Jesus Christ.

---

OR: Give one reason why the Meccans hated Prophet Muhammad.

#### **SECTION B (60marks)**

41. (a) What is meant by the term "interlacustrine region"?

---

(b) Give any two reasons why the Bantu settled in the interlacustrine region.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(c) State any one social contribution of the Chwezi in Uganda.

---

42. (a) Mention any two human factors that modify the climate of an area.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

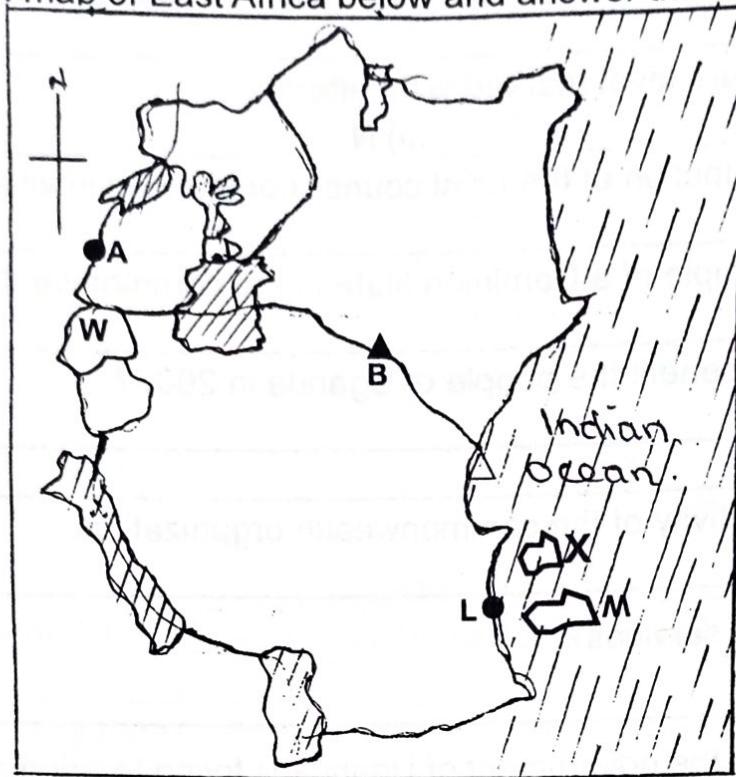

---

(b) How does altitude affect the climate of a place.

---

(c) State the importance of weather forecasting to a pilot.

43. Study the sketch map of East Africa below and answer the questions that follow.

(a) Name the Islands marked with letters

(i) M \_\_\_\_\_ (ii) X \_\_\_\_\_

(b) Give the difference between mountains marked with letter A and B.

(c) How is port marked with letter L important to country marked with letter W?

44. (a) What is formal education?

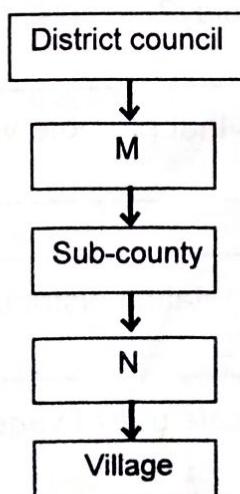

(b) State any two importance of education to the people of Uganda.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(c) Which ministry is responsible for Primary Education in Uganda?

45. Study the district structure below and answer the questions that follow.

(a) Name the person who heads the above structure of administration.

(b) Mention the structure level marked with letters.

(i) M \_\_\_\_\_ (ii) N \_\_\_\_\_

(c) Mention any one function of the local council committees in villages.

46. (a) Name one example of a Dominion state in the commonwealth organization.

(b) How did CHOGM benefit the people of Uganda in 2007?

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(c) Mention anyone activity of the commonwealth organization.

47. (a) What are social services?

(b) Give any two ways the government of Uganda is trying to bring services nearer to the people.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(c) Mention any one challenge faced by the government is trying to bring services nearer to the people.

48. (a) Give any one example of people with special rights.

(b) Mention any two duties of the Uganda Human rights commission.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(c) Why should children have right to play?

49. (a) State any two human activities that promote vegetation growth in an area.

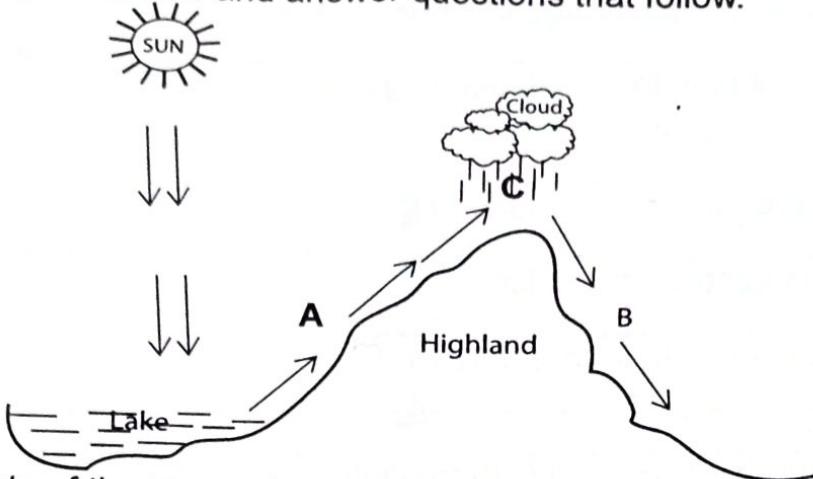

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(b) How can industrialization affect vegetation distribution in an area?

(c) Mention any one danger of large scale use of vegetation to the environment

50. Study the diagram below and answer questions that follow.

(a) Name the parts of the mountain marked.

(i) A \_\_\_\_\_ (ii) B \_\_\_\_\_

(b) Which type of rainfall is experienced in the part marked with letter C.

(c) Give the reason why there is little rainfall in the place marked with letter B.

**For each of the questions 51 to 55, answer Either Christianity or Islamic questions but NOT BOTH. No marks will be awarded to a candidate who attempts both alternatives in a particular number.**

51. Either: (a) Who is a neighbour?

(b) Mention any two things Christians share with their neighbours.

(i) \_\_\_\_\_ (ii) \_\_\_\_\_

(c) How can a Christian child show respect to the neighbours.

OR: (a) Who is a neighbour?

(b) Mention any two things Muslims share with their neighbours.

(i) \_\_\_\_\_ (ii) \_\_\_\_\_

(c) How can a Muslim child show respect to the neighbours?

52. Either; (a) Name the most beloved apostle of Jesus Christ.

(b) Why did Jesus Christ choose His Apostles?

(c) Give a reason for remembering the following apostles of Jesus Christ.

(i) Mathias \_\_\_\_\_

(ii) Judas Iscariot \_\_\_\_\_

OR: (a) Name any one caliph in Islam.

(b) Why were the caliphs chosen?

(c) Give a reason why the following were remembered in Islam.

(i) Aminah \_\_\_\_\_

(ii) Khadijah \_\_\_\_\_

53. Either: (a) What is faith according to Christianity?

(b) State two values of faith to Christians today.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(c) Give one way Abraham showed faith to God.

OR: (a) What is faith according to Islam?

(b) State any two values of faith to a Muslim.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(c) Give one way Abraham showed faith to Allah.

54. Either: (a) What is Christianity?

(b) Mention any two sacraments in Christianity.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(c) Which sacrament enables Christians to unite with Jesus Christ?

OR (a) What is Islam?

(b) Mention any two pillars of Islam.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(c) Which pillar of Islam supports the needy?

55. Match the list in A to those lists in B correctly.

EITHER:

Angel (List A)	Responsibility (List B)
Gabriel	Angel of death
Michael	-Angel of protection
Raphael	Angel in charge of messages
Azrael	Angel of healing

(a) Gabriel \_\_\_\_\_

(b) Michael \_\_\_\_\_

(c) Raphael \_\_\_\_\_

(d) Azrael \_\_\_\_\_

OR:

Angel (List A)	Responsibility (List B)
Jibril	-keeps hell fire
Izraeel	-Allah's messenger
Maliik	-Angel of death
Rakeeb	-Angel of good deeds

(a) Jibril \_\_\_\_\_

(b) Izraeel \_\_\_\_\_

(c) Maliik \_\_\_\_\_

(d) Rakeeb \_\_\_\_\_

**SECTION A: 40 MARKS**

**Questions 1 to 40 carry one each**

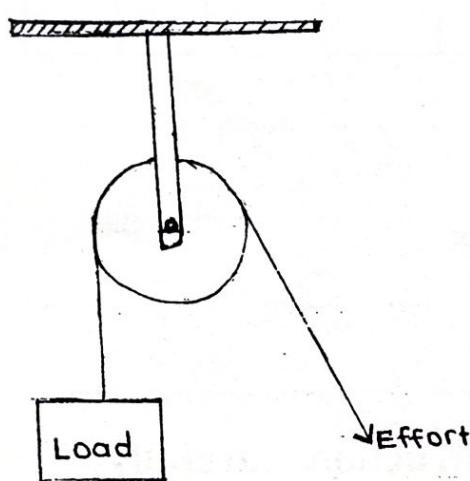

1. Name any one type of chicken kept for commercial purpose.

2. State any one waste product excreted by the skin.

3. Mention one way of controlling kwashiorkor in children.

4. How does the Nitrogen Fixing Bacteria benefit from the root nodules?

The diagram below is of a simple machine. Use it to answer questions 5 and 6.

5. To which group of simple machines does the machine above belong?

6. How does the above machine simplify work.

7. Mention the immunisable disease that is spread by a mosquito.

8. State the difference between arachnids and insects.

9. How do mushrooms reproduce?

10. Why are plastic materials referred to as soil pollutants.

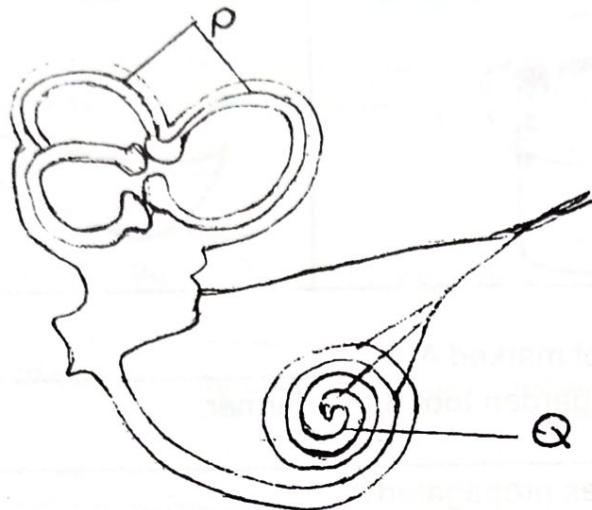

11. Name the method of finding volume of objects that involves the use of water.

12. Give a reason why the pulmonary vein transport oxygenated blood from the lung to heart.

13. Mention any one reason for making alloys.

14. Apart from brushing, write one other way of caring for teeth.

The diagram below shows part of the human ear. Use it to answer questions 15 and 16.

15. State the part marked with letter P. \_\_\_\_\_

16. Name the function of part Q. \_\_\_\_\_

17. Mention any one danger of wind to people. \_\_\_\_\_

18. Give one way in which record keeping is important to a farmer. \_\_\_\_\_

19. Mention one group of decomposers in a food chain. \_\_\_\_\_

20. State any one importance of joints in the body. \_\_\_\_\_

21. Mention one structural difference between beef cattle and dairy cattle. \_\_\_\_\_

22. Why can't eyes of fish be damaged by small stones and pieces of wood in the water bodies? \_\_\_\_\_

23. Give one example of ceramics. \_\_\_\_\_

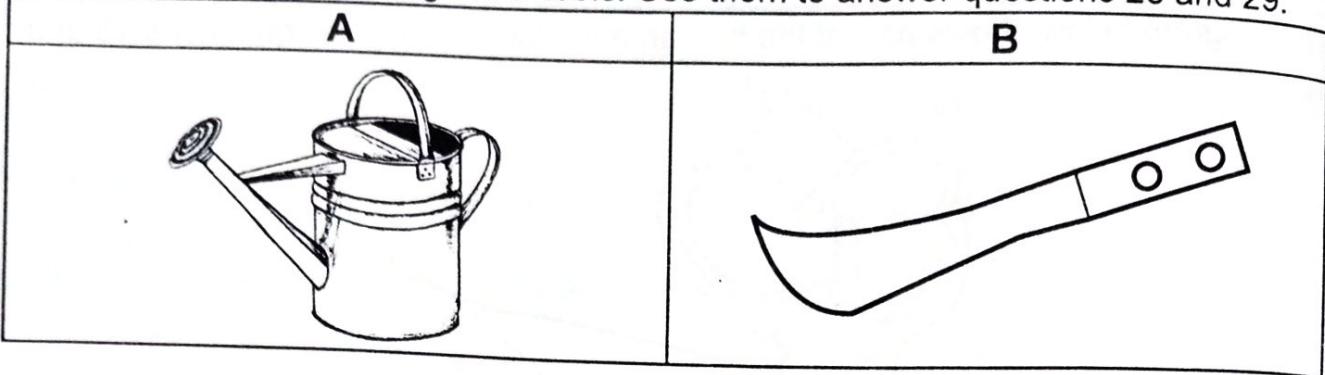

24. Mention the cattle protozoan disease which makes cattle walk in circles. \_\_\_\_\_

25. How does constant dropping of a magnet on the floor affect it? \_\_\_\_\_

26. State any one indicator of poor sanitation in a home. \_\_\_\_\_

27. How do medical workers reset the doctor's thermometer before use on the next patient? \_\_\_\_\_

The diagram below are of garden tools. Use them to answer questions 28 and 29.

28. Name the garden tool marked A. \_\_\_\_\_
29. State the function of garden tool B to a farmer. \_\_\_\_\_
30. How are Irish potatoes propagated? \_\_\_\_\_
31. Mention any one danger of shadows in the environment. \_\_\_\_\_
32. Give any one way in which a school health club can promote health. \_\_\_\_\_
33. How are bees useful to flowering plants? \_\_\_\_\_
34. Why does a solar panel contain black surface on it? \_\_\_\_\_
35. Give a reason why a wheelbarrow is grouped under second class levers. \_\_\_\_\_
36. Mention one way of reducing heat in our bodies. \_\_\_\_\_
37. Why are splints used to give First Aid for fractures? \_\_\_\_\_
38. Apart from using a refrigerator, write one other way of preserving food. \_\_\_\_\_
39. Mention one role played a child at home. \_\_\_\_\_
40. Name the part that transports digested food and oxygen to the unborn baby in the womb. \_\_\_\_\_

**SECTION B: 60 marks**

**Questions 41 to 55, carry four marks each.**

41. (a) Mention two solutes used in the making of Oral Rehydration Solution (ORAS)  
(i) \_\_\_\_\_  
(ii) \_\_\_\_\_
- (b) State the condition that requires one to be given Oral Rehydration Solution.

(c) Give the importance of water in the making of Oral Rehydration Solution (ORS)

42.(a) In which two ways is friction force useful to the cooks in the kitchen.

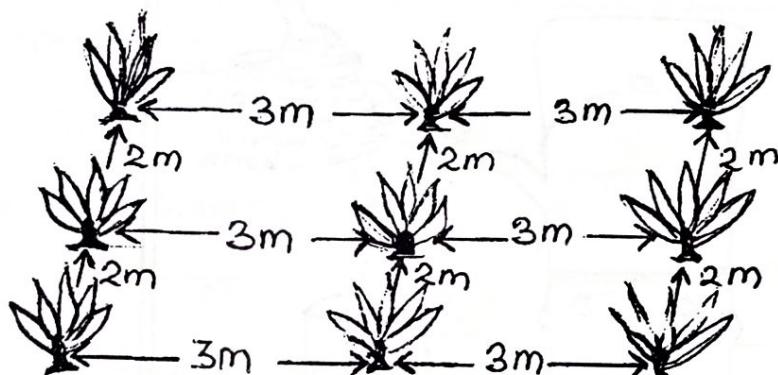

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(b) How do ball bearings reduce friction in machines?

(c) Apart from use of ball bearings, state one other ways of reducing friction in machines.

43. The diagram below shows a method of planting crops in the garden. Study carefully and use it to answer questions that follow.

(a) Name the method of planting crops shown in the diagram above.

(b) State any two advantages of spacing the crops as shown above.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(c) Name any one other method of planting crops in the garden.

44.(a) Give two examples of external parasites of cattle.

(i) \_\_\_\_\_ (ii) \_\_\_\_\_

(b) How do hookworms lead to anaemia in cattle?

(c) Mention any one way of controlling internal parasites in cattle.

45.(a) State the function of each of the following parts of the digestive system;

(i) The liver

(ii) The tongue

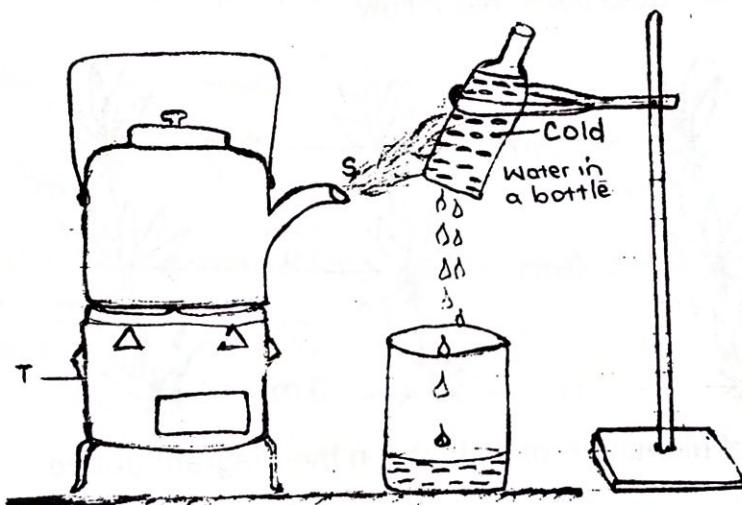

(b) Mention two ways of keeping the digestive system in a proper working condition

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

46. (a) Convert 77°F to degrees Celsius. (4marks)

47. The diagram below represents a natural process in the environment. Use it to answer the questions that follow.

(a) Name the natural process represented above.

(b) What does part T represent in the environment?

(c) Name the physical process at S.

(d) State the importance of cold water in the set up above.

48. (a) Mention one population and health concern in the community.

(b) Give two ways of controlling sicknesses in homes and communities without using drugs

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(c) In which one way can Water - Borne disease be controlled in the environment.

49. The table below shows body organs in part A. Match items in part A with items in part B correctly.

A: Body organs	B:
Heart	Carbon dioxide
Kidney	Circulation of blood
Lung	Memory
Brain	Urine

(i) heart \_\_\_\_\_

(ii) Kidney \_\_\_\_\_

(iii) Lungs \_\_\_\_\_

(iv) brain \_\_\_\_\_

50. (a) Give two ways of conserving soil.

(i) \_\_\_\_\_

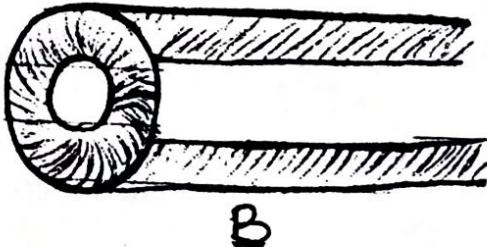

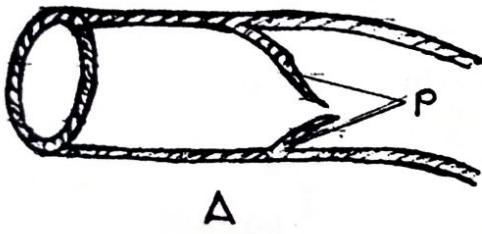

(ii) \_\_\_\_\_

(b) State two importance of living organisms in the soil

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

51. The diagrams are of blood vessels. Study them carefully to answer questions that follow.

(a) Name the blood vessels marked A and B.

(i) A \_\_\_\_\_ (ii) B \_\_\_\_\_

(b) State one structural difference between blood vessel A and B.

\_\_\_\_\_

(c) State the function of structures marked P on blood vessel A.

52. (a) Mention two new substances that can be formed as a result of chemical

changes

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(b) State one characteristic of a physical change.

(c) Write one difference between physical and chemical changes.

53. (a) Give any two elements of Primary Health Care

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(b) State two ways in which a family can promote primary health care

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

54. (a) State any two effects of alcoholism to an individual

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

(b) Where does absorption of alcohol take place in the human body?

(c) Mention one way in which alcohol is useful in hospitals.

55. (a) State any one industrial use of carbon dioxide.

(b) How does carbon dioxide put out fire?

(c) Apart from carbon dioxide, write two other components of air.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

## **SECTION B**

Read the passage below carefully and then answer in full sentences  
questions that follow.

51. When Adriko reached 28 years, he started thinking about Marriage. He fell in love with a Muganda girl from Wakiso. Adriko and his girl friend Flora had been in courtship for two years before they were set for marriage introduction. The marriage introduction took place on 15th of July, 2022 at the girl's home in Wakiso. Four months later, after the marriage introduction, Adriko proposed to wed Flora in St. James' church Wakiso district. The wedding plan was discussed in a meeting with the relatives and well wishers where a lot of ideas were generated.

Flora chose six maids and a flower girl while Adriko on his part chose six groomsmen, a pageboy and his best man.

The bride and the groom started working hard to look for the money in order to meet the drawn budget.

On the other hand, during the meetings many people pledged both materials and financial support to them.

Kizito pledged to buy the wedding rings and the cakes. A bouquet for the bride was donated by Daniella Maria. Daniella Maria was in charge of reception.

There were a lot of eats and drinks

After reception which attracted over two thousand people, the couple left for the honey moon at Queen's Hotel where they spent three night before they went to their permanent residence in Buseta district.

---

(e) Where is Ekote F.M?

---

**53. Read the poem below and in full sentences answer the questions that follow.**

**Excuse me Mr. death**

You who takes the young and the old.  
The rich ones can't also escape from you  
Fat and thin, you can just sweep  
Have mercy on us.

**Excuse me Mr. death**

You who has no mercy over the innocent ones  
A destroyer and merciless as well.  
For you claim to be invisible yet you  
Actually exist  
Have mercy on us.

**Excuse me Mr. death**

You who takes the helpless  
Orphans mourn over the dead parents  
But you seem not to care about it.  
Widows mourn but you simply turn  
A deaf ear.  
Have mercy on us.

**Excuse me Mr. death**

You who is quiet yet steady  
Through sickness you steal one.  
Through accidents you steal another.  
Through suicide you take the other.  
Who is greater than you?  
You who takes even the political,  
Cultural and religious leaders.  
Have mercy on us.

*By Esango Tom (P.7)*

**Questions**

(a) Who takes the young and the old?

---

(b) How many lines are in stanza one?

---

(c) Does death exist according to the poem?

---

(d) Why do you think orphans mourn?

---
