35. The arrow of a wind vane was pointing to South. To which direction was the wind blowing?

For questions 36 – 40, answer either Christianity or Islam but not both on the same number.

36. Either: Give any one reason why Christians kneel down during prayers?

Or: Give any one reason why Muslims humble themselves during prayers.

37. Either: Name the garden where Adam and Eve were living before they disobeyed God.

Or: Name the garden where Adam and Hawa were living before they disobeyed Allah.

38. Either: Mention any **one** reason why Christians pray.

Or: Give any **one** reason why Muslims pray.

39. Either: Name the final place for rest for the believers in Christ.

Or: Name the final place for rest for the believers in Allah.

40. Either: Name the sacrament that initiates a person into God's Family.

Or: How does one become a Muslim.

SECTION B

41. (a) What is Population Growth?

(b) State any **two** causes of population growth.

i)

ii)

(c) State any **one** way of controlling population growth.

42. (a) Why is Pubungu remembered in the history of the River - Lake Nilotes

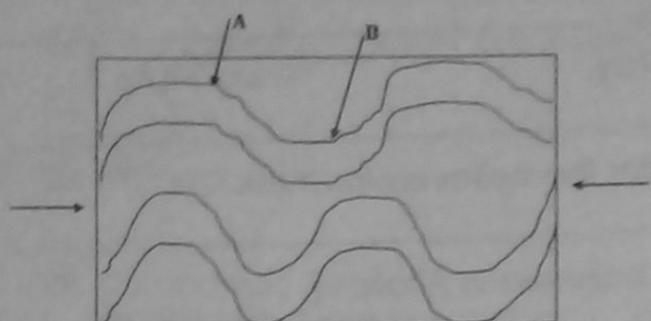

(b) State any **two** causes of the ethnic migration.

i)

ii)

(c) Give any **one** reason why the Nilotes adopted mixed farming.

43. The diagram below shows the formation of Fold Mountain. Answer the questions that follow:

Name the parts labeled A and B.

A.....

B.....

b. Give examples of mountains formed in the above process in Africa.

- (i)
 - (ii)
44. (a) Name the type of farming where farmers grow crops and rear animals on the same piece of land.

(b) State any **two** advantages of the above mentioned type of farming.

- i)
- ii)

c) How do crops benefit from animals on the farm?

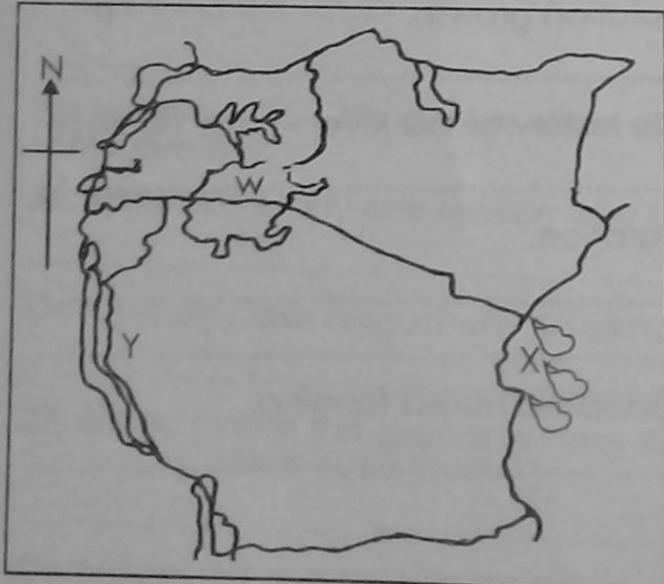

45. (a) What is Vegetation?

(b) Give any **two** reasons why different places have different vegetation types.

- (i)
- (ii)

c) In which way does vegetation influence climate?

46. Use the map below to answer the following questions:

a) Name the major traditional cash crops grown in the areas marked W and X.

W.....

X.....

b) How was the formation of Lake marked Y different from that of W?

c) What is the direction of W from X?

47. (a) Write UCC in full.

(b) Give any **one** way Radio Stations have promoted trade.

(c) Mention any **two** mass media means of communication.
i).
ii).

48. (a) Name the policy which was practiced in Kenya similar to Apartheid Policy in South Africa.

(b) Give **two** ways the above policy was practiced.

i)

ii)

(c) Mention any **one** way Apartheid was opposed by the people of South Africa.

49. Match list A to B correctly:

A

- a) I.K Musaazi
- b) DedanKimathi
- c) Julius Nyerere
- d) BendictoKiwanuka

B

First Chief Minister of Uganda

Led Tanganyika to Independence

Formed the first Political Party in Uganda.

Military Leader of MAU MAU Rebellion.

a) I.K Musaazi

b) DedanKimathi

c) Julius Nyerere

d) BendictoKiwanuka

50. (a) What is Foreign Influence?

(b) Give **two** ways Foreigners influenced the people of Africa.

i)

ii)

(c) Which African Country tried to colonize Uganda?

For questions 51 – 55, answer Either Christianity or Islam but not both.

51. EITHER:(a) What is Reconciliation?

(b) Give any **two** ways of reconciling with God.

i)

ii)

(c) State any **one** importance of reconciliation in our Community.

OR:(a)What is Reconciliation?

(b) Give any **two** ways of reconciling with Allah.

i)

ii)

(c) State any **one** importance of reconciliation in our Community.

52. EITHER: (a) Why do Christians make a Pilgrimage to Namugongo every 3rd June?

How does the Pilgrimage to Namugongo benefit the Pilgrims?

How did the first Martyr in the Bible meet his death?

OR: (a) Why do Muslims make Hija?

b) How does Muslims benefit from Hija?

c) How did the first Martyr meet her death?

53. EITHER: (a) Mention any **two** Christian Religious Organizations in Uganda.

(b) State any **two** ways Christian Religious Organizations have promoted development in Uganda.

OR: (a) Mention any **two** Islamic Religious Organizations operating in Uganda.

(b) State any **two** ways Islamic Religious Organizations have promoted development in Uganda.

54. EITHER: (a) What is Lent?

(b) Give the importance of fasting to a Christianity.

(c) Which day marks the end of fasting in Christianity?

OR: (a) What is Saum?

(b) Give the importance of fasting to a Muslim.

(c) Which day marks the end of fasting in Islam?

55. Both: (a) What should a good Christian/muslim do for the following groups of people?

The Sick.

The Poor.

Give any **two** benefits a Christian/Muslim gets from helping the needy people in a Community.

(c) State any one importance of reconciliation in our Community

52. EITHER: (a) Why do Christians make a Pilgrimage to Namugongo every 3rd June?

How does the Pilgrimage to Namugongo benefit the Pilgrims?

How did the first Martyr in the Bible meet his death?

OR: (a) Why do Muslims make Hija?

b) How does Muslims benefit from Hija?

c) How did the first Martyr meet her death?

53. EITHER: (a) Mention any two Christian Religious Organizations in Uganda.

i)

ii)

(b) State any two ways Christian Religious Organizations have promoted development in Uganda.

i)

ii)

OR: (a) Mention any two Islamic Religious Organizations operating in Uganda.

i)

ii)

(b) State any two ways Islamic Religious Organizations have promoted development in Uganda.

i)

ii)

54. EITHER: (a) What is Lent?

(b) Give the importance of fasting to a Christianity.

i)

ii)

(c) Which day marks the end of fasting in Christianity?

OR: (a) What is Saum?

(b) Give the importance of fasting to a Muslim.

i)

ii)

(c) Which day marks the end of fasting in Islam?

55. Both: (a) What should a good Christian/muslim do for the following groups of people?

The Sick

The Poor

Give any two benefits a Christian/Muslim gets from helping the needy people in a Community.

i)

ii)

(Re-write the sentence beginning: The the)
49. You will not sit for your examinations, will you? (Re-write ending won't you?)

50. Buy a decoder. Have clear pictures. (Re-write as one sentence beginning: If.....)

SECTION B

51. Read the story and answer the questions that follow in full sentences.

THE ATHLETICS COMPETITIONS AT OUR SCHOOL.

It was Friday the 25th of March, 2022 when we had athletics competitions at our school. On that day, at around ten O'clock in the morning, the neighbouring schools started flowing into our compound. Those schools included; Butere Primary School, Wabinoga Primary School, God's Grace Primary School and St. Mark Primary School.

When some of the expected schools had arrived, the teachers in charge of athletics called all of us for an assembly so as to brief us on how we were supposed to conduct ourselves and the different activities we were to participate in.

After the assembly, the teachers called all the participants and they started taking measurements. During the course of measuring, some participants qualified and were marked using stamps. Those who had more than the standard measurements were disqualified.

The participants were divided into different age groups. These included; under twelve, under fourteen and under sixteen. So, at around noon, the competitions started with track events then members of the different schools also began the role of cheering their participants.

We were so lucky that most of our participants were doing well. The most prominent in our school was Musede, who was ever taking the first position.

Much as we were doing well in track events, on the side of field events, the story was different. But we still remained on top. When the members of the other schools realized that, they became jealous and therefore started singing provocative songs and throwing stones and empty bottles to us.

At around 6:00pm, most of the activities had been done and it was even getting late. So, we were again called for another assembly so that they could announce the winning school and the participants who had qualified for the next level. Surprisingly, the announcement was not made but we still knew that our school had won.

After this disappointment, we dispersed and went back home. All in all, it was a very busy day.

Questions:

(a) When were the competitions held?

(b) How many schools participated in the competitions?

(c) What happened to the participant who had more than the standard measurement?

- (d) According to the story, who was the most prominent participant in the writer's school?
- (e) In which events did the writer's school perform poorly?
- (f) How did the members of the other schools express their anger?
- (g) Why do you think the teachers did not announce the winning school?
- (h) Name any one field event you know.
- (i) In how many age groups were the participants divided?

- (j) Give another word or group of words that mean the same as the underlined word "dispersed".

52. Suzan was sent to the shop by her father to buy a kilogram of sugar. Below is a conversation between her and Juma, the shopkeeper. The words of Juma have been given. Fill in what you think were Suzan's words.

Juma: Good morning, young girl.

Suzan:

Juma: How are you?

Suzan:

Juma: You are fine! Ok how can I help you?

Suzan:

Juma: You have come to buy a kilogram of sugar! Who has sent you for it?

Suzan:

Juma: Your father has sent you for it. How much money has he given you?

Suzan:

Juma: Three thousand shillings is not enough for a kilogram of sugar.

Suzan:

Juma: It costs three thousand five hundred shillings.

Suzan:

Juma: No I can't reduce. That is the last price.

Suzan:

Juma: What you can do now, pay the three thousand shillings now and bring the remaining money later.

Suzan:.....
Juma: You are welcome.
Suzan:.....
Juma: I wish you good time too.

53. Study the information below carefully and answer in full sentences the questions that follow.

During the recently concluded voters registration programme, the registration officer assisted one of the citizens to fill in the forms in order to enable him acquire a National Identification Card. He asked him some questions and the responses were as follows:-

My name is Katusiime John. I was born on 20th November, 1970. I was born in Mulago National Referral Hospital. Both my Parents are Ugandans.

My wife and I have two Daughters and Sons. I am the Assistant Choir Director of Katwe Roman Catholic Church. I work at Katwe Auto Garage where I repair faulty Motor Vehicles and I also help to service them.

With the help of the information, fill in the personal data form for the above person.

1. Surname	
2. Other names	
3. Sex	
4. Date of Birth	
5. Age	
6. Nationality	
7. Religious Affiliation	
8. Marital Status	
9. Number of Children	
10. Occupation	

54. Read the poem below and answer in full sentences the questions that follow:

Oh Lord hear my cry
Save me from hands of men
The merciless and heartless men
Sometimes killed at a tender age
Slaughtered carelessly with sharp knives
Why all this torture?

Oh Lord hear my cry
Save me from the hands of men
At parties, people enjoy my flesh
In restaurants, I am the main sauce
Put in the pots to boil
I am robbed of my eggs everyday
Yet I get nothing in return

Oh Lord hear my cry
Save me from hands of men
Feeding on my flesh everyday but still ungrateful
You take my feathers and use them in cultural functions
You do not care if you leave me unclothed
When will this suffering end?

Amodol Francis

Questions:

- a) Who do you think is talking in the poem?
- b) How have men been described in the first stanza?
- c) At what age is she sometimes slaughtered?
- d) Where do people enjoy her flesh?
- e) What is she robbed of according to the second stanza?
- f) In which kind of functions are the feathers used?
- g) How many stanzas does the poem have?
- h) Who is the writer of this poem?
- i) Give one word or group of words with the same meaning as the underlined in the poem.
 - (i) tender
 - (ii) flesh

55. Using your school address, write an official letter to the Chief Editor of "The Monitor" P.O. Box 2403, Kampala, requesting him/ her to publish your article about "Child Sacrifice In Uganda".

You should tell him/ her that if your article is published, it will assist the children in your Country to try and protect themselves against kidnappers who usually abduct them and sell them to the murderers. Do not forget to mention atleast two reasons why these killers want to sacrifice innocent children.

NB: Teachers to provide paper for the letter.

1. Add:

3	7
+ 2	2

2. Write 7007 in words.

3. Shade $\frac{1}{4}$ of the fraction.

4. Juma covered a distance of 60km in 2 hours. Calculate his speed.

5. Find the next two numbers in the sequence; 1, 4, 9, 16, ____

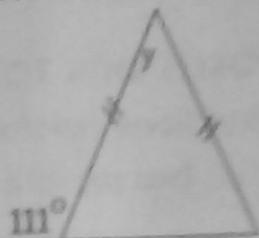

6. Simplify: $3 \cdot 11$

7. Find the square root of $2\frac{1}{4}$

8. Work out: $\frac{2}{3} + \frac{1}{4}$

9. A lady bought a shirt at Sh. 65,250. She later sold it and realized a loss of 15,050/. How much did she sell the shirt?

10. Calculate the value of Y in degrees.

11. If $21_n = 13_m$ find the value of n.

12. Work out

2	1	3	_{bar}
+	3	1	_{bar}

13. A forty five minute assembly ended at 9:35am. At what time did it start?

14. Write 49 in Roman numerals.

15. Given that Set R = {1, 3, 5, 9} and
Set T = {2, 3, 7, 4}. Find n(R ∩ T).

16. The average weight of 5 children is
17kg. Find their total weight.

17. If $a = 2$, $b = -2$, $c = 3$.

Evaluate $a^2 + b^2 + c^2$.

18. John bought 500g of beans at
Shs.3,800 per kg. How much did he pay?

19. A trader was given a bundle of 5,000 shillings note numbered consecutively from AB0001794 to AB0001894. How much money was in the bundle?

20. If $A = \{\text{Vowel letters}\}$ How many subsets are there?

SECTION B (60 MARKS)

21.(a) In a basket, there are 7 red and 4 black pens. What is the probability of picking a black pen from the basket?
(2 marks)

(b) Simplify: $\frac{1.8 \times 7.2}{1.2 \times 0.9}$ (3 marks)

22. At Ndwaddemutwe Primary School, there are three bells, that ring at intervals of 30, 40, 60 minutes respectively. If they ring together at 8:00am. (3 marks)

a) How long will they take to ring together again?

b) At what time will they ring together again? (2 marks)

23. The table below shows marks scored by candidates in mathematics paper. Use it to answer the questions that follow:

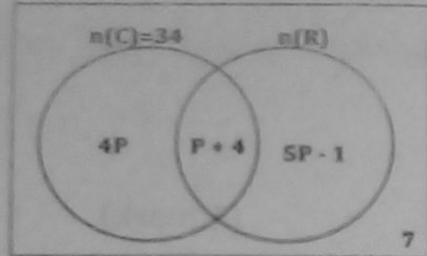

Marks	60	80	90	50
No. of Candidates	3	2	4	1

a) Find their mean mark. (3 marks)

b) Calculate the median mark. (2 mks)

c) What is their modal frequency? (1 mark)

24. The Venn diagram below shows the number of farmers who grow different crops in Nakisunga Sub-county. Use it to answer the questions that follow.

a) If 34 farmers grow Cassava (C).
Find the value of P. (2 marks)

b) How many farmers grow Rice (R) only? (2 marks)

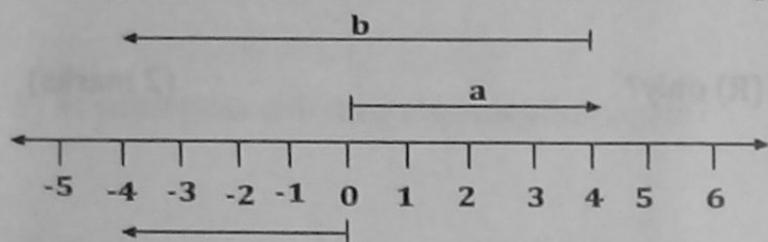

c) How many farmers are in Nakisunga Sub-county? (2 marks)

25. A man spent a $\frac{1}{4}$ of his salary on Rent and $\frac{1}{3}$ of the remainder on fees.
If he remained with Shs. 75,000. What was his salary? (5 marks)

26.a) Using a pair of Compasses, a sharp pencil and a ruler only. Construct a triangle PQR when $\overline{QR} = 6\text{cm}$, angle PQR = 90° and angle QRP = 30° . (4 marks)

(b) Find the size of angle QPR. (1 mark)

27. Using the number line below to answer the questions that follow;

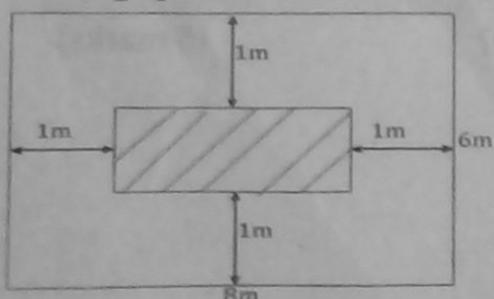

a) Which integers are represented by letters; (1 mark @)

a _____ b _____ c _____

b) Write the addition statement shown on the number line. (2 marks)

28. The figure below shows a Carpet on the sitting room floor 8m by 6m leaving space on the sides as shown below:

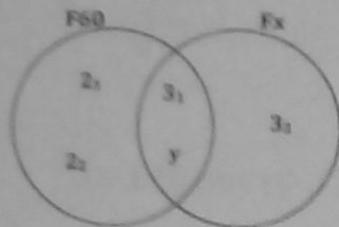

a) Find the area covered by the Carpet. (3 marks)

b) Find the area of the space not covered by the Carpet. (2 marks)

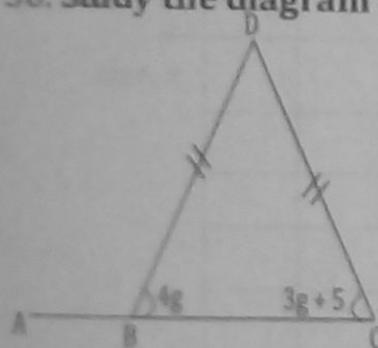

29. Study the Venn diagram below and use it to answer the questions that follow.

a) Find the value of y. (2 marks)

b) Work out the value of X. (2 marks)

30. Study the diagram below and answer the questions that follow.

a) Find the value of g. (1 mark)

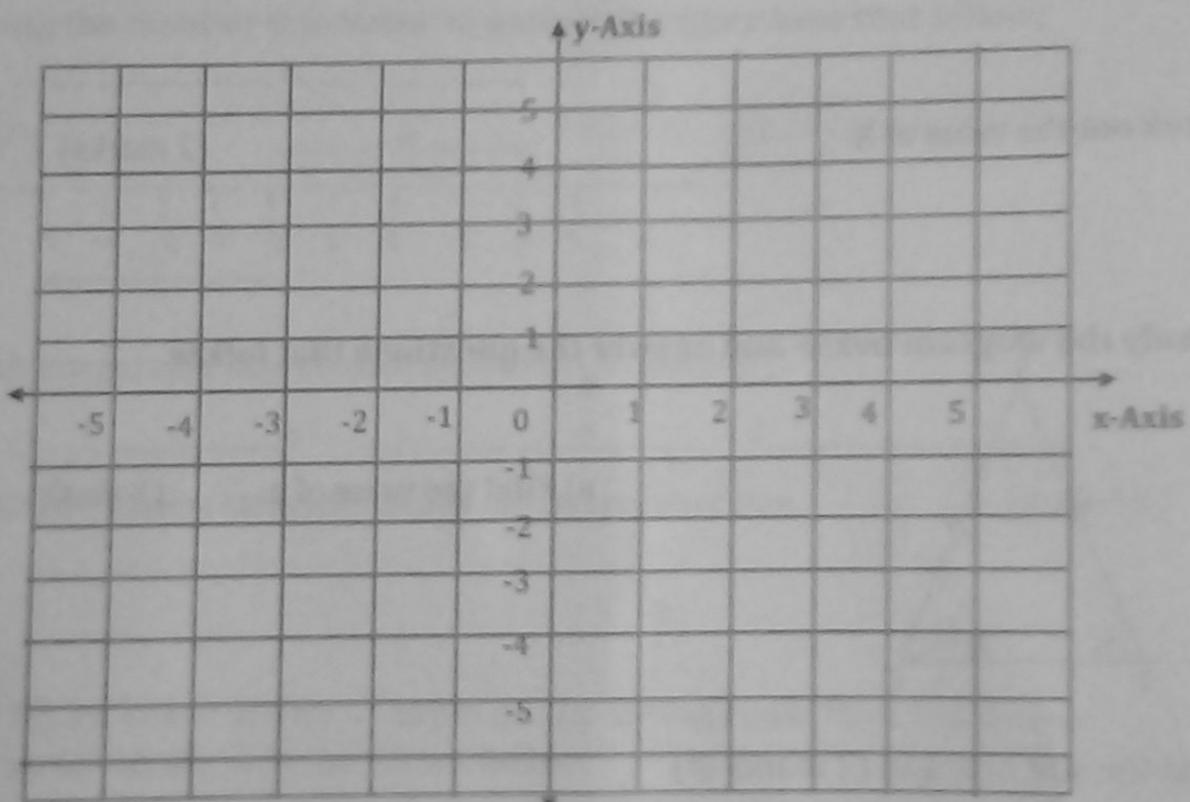

b) Find the size of angle; (2 marks @)

i) BDC

ii) ABD

31. A Motorist travelled at 40km/hr for 3 hours. He rested for 1 hour and continued his journey at 90km/hr for 2 hours. Calculate the average speed for the whole journey. (4 marks)

32. (a) On the coordinate grid, plot the points A(-3, 3), B(3, 3), C(3, -2) and D(-3, -2).

- (b) Join points A to B, B to C, C to D, D to A and name the quadrilateral formed. (5marks)
- c) Find the area of the quadrilateral formed. (1 mark)

4. Mention any one example of organic manure.
5. How does crop rotation help to control crop pests in the garden?
6. Mary touched a kettle full of water and found it to be hot. Which body sense enabled her to tell that the kettle was hot?
7. How is a queen excluder important in a modern bee hive?
8. Name the non metallic conductor of electricity in a dry cell.
9. Why is sugar an important component in making ORS?
10. How is a fuse important in an electric appliance?
11. Identify one human activity that leads to soil erosion.
12. Suggest any one reason why animals sometimes move from place to place?
13. How is a Chameleon able to escape from its enemy?
14. Write one way in which wind is useful to a crop farmer.
15. In which one way is a goat similar to a human being?
16. How is the ileum adapted for the absorption of food?
17. Calculate the volume of the cuboid below:

18. Why is air regarded as matter?
19. Name the part of a flower where fertilization takes place?
20. Mention any one health effect of teenage pregnancy to a girl.
21. Why is soaking important during the process of washing clothes?
22. State one use for this garden tool.

23. State any one importance of mulching a banana plantation.
24. Which type of germination is shown in the diagram below?

25. Suggest any one use of a ladder at home.
26. How are bacteria useful in the manufacturing of local alcohol?
27. Give one way how non flowering plants reproduce?
28. Write one method of Soil Formation.
29. Describe any other importance of bees to a farmer, besides providing honey.
30. State one difference between a Burn and a Scald.
31. Mention one way a good farmer can control diseases on his/her farm.
32. Name one root crop which is propagated by seeds.
33. Write one activity done by farmers during a dry season.
34. State one danger of drinking a lot of alcohol to an individual.

35. Why do some objects sink when dropped in water?
36. Give one way how plants depend on animals?
37. What causes dehydration in children?
38. Write one breed of rabbits.
39. Why should the young children and the elderly be fed on soft foods?
40. State one way of controlling the spread of malaria fever in a home without using chemicals.

SECTION B (60 MARKS)

41. (a) What are Root Tubers?
- (b) Give any one example of a root tuber grown in your area.
- (c) Mention any one crop pest among root tubers.
- (d) Identify any one way of controlling pests in the garden.

42. (a) Give the meaning of the following terms:

i) Volume of Sound

ii) Pitch of Sound

(b) State any one factor that affects the pitch of sound.

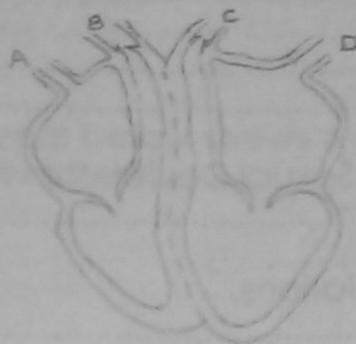

(c) Suggest any one importance of the bell in a school.

43. (a) Write the main source of water on earth.

(b) Mention any one way water is used as a resource.

- (c) Why is water grouped under renewable resources?
(d) Give any one water borne disease.

44. Study the diagram below and answer the questions that follow:

- a) Give the importance of the Body Organ above.
b) By the use of arrows, show the direction of blood movement on Blood Vessel marked B.
c) How is Blood Vessel A different from Blood Vessel D by function?
d) Suggest any one way of improving the function of the organ above.

45. (a) Mention any one soft body part where Corona Virus can easily enter the body.

- (b) Which body organ is seriously damaged by Corona Virus Disease?
(c) State any two ways of preventing the spread of Corona Virus Disease.

i)
ii)

(b) State any two ways of controlling tick borne diseases in Cattle.

i)
ii)

(c) Suggest one reason why farmers are encouraged to isolate sick animals from healthy ones?

47. (a) Mention any one example of each type of change:
Biological Change.

Chemical Change.

(b) Identify any two ways in which physical changes are important in the environment

- i)
 - ii)

48. (a) Give the meaning of the term Sexual Deviations.

(b) Write any two forms of Sexual Deviations.

- ii

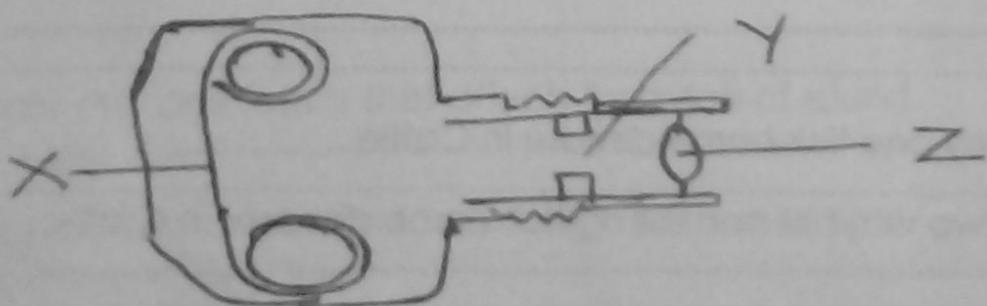

(c) Suggest any one life skill that can help in preventing Sexual Deviations.

49. (a) What are farm records in Poultry Keeping?

(b) List any two examples of farm records in Poultry Keeping.

(c) Identify any one importance of farm records in Poultry Management.

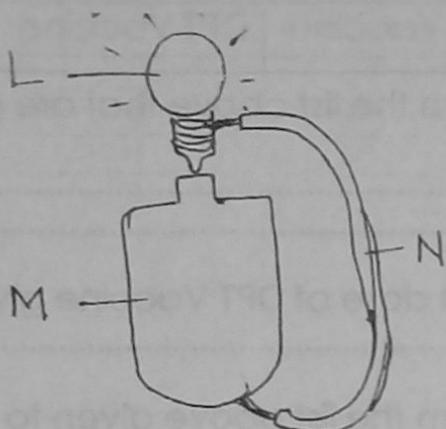

50. The diagram shows a Lens Camera. Use it to answer the questions that follow:

a) Name the part of Camera marked with letter Z.

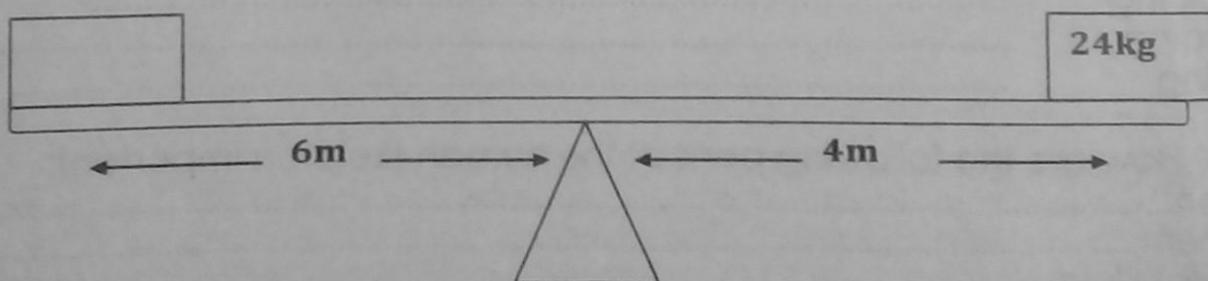

- b) State the function of part marked Y.
- c) Which part of the human eye has the same function as part marked X in the Camera above?
- d) Give any one characteristic of images formed by the Camera.

51. The diagram below shows a simple circuit. Use it to answer the questions that follow:

- a) Name the part marked L.
- b) State the function of part marked N.
- c) Which energy change takes place at part M when the circuit is complete?
- d) Besides electric cells, give any one other source of electricity.

52. The diagram below shows a lever. Use it to answer the questions that follow:

- a) Name the simple machine in the diagram above.
- b) With the use of an arrow and letter X, show the position of the pivot.
- c) Suggest one game Children play using the above machine.
- d) To which class of levers does the machine above belong?

53. The table below shows a list of vaccines. Use it to answer the questions that follow:

BCG Vaccine	Measles Vaccine	DPT Vaccine	Hepatitis B Vaccine
-------------	-----------------	-------------	---------------------

- a) Write two Vaccines from the list above that are given against Viral Immunisable Disease.
- i) _____
- ii) _____
- b) At which age is the first dose of DPT Vaccine given to infants?
- c) Name the Vaccine from the list above given to babies at birth.

54 (a) What is Agro Forestry?

(b) Match List A with List B correctly:

A	B
Coppicing	Cutting of the tip or top of a tree
Pollarding	Cutting of side branches
Lopping	Cutting of a tree at stump level

Coppicing
Pollarding
Lopping

55. (a) How are the following parts of the human skeleton important:
Tendon.....
Ligament.....
Synovial Fluid.....
- (b) Mention any one disorder of the human skeleton.

GOOD LUCK
