TRAVELLING

Last year, one family in Kebitakuri Village decided to visit their aunt, Kentuha. This aunt of theirs lived near Entebbe Airport. The reason was that they wanted to see how an airport looks like. They agreed to travel in December, 2022 to implement the plan they had designed two years ago. So, they allowed Maputo, their eldest brother in their family, to make the programme.

The programme included the departure and arrival. They wanted to leave their home at 8:00 pm so that they could use the bus that travelled at night to avoid delays. They also proposed to arrive in Kampala where their aunt lived at 2:00 a.m. of the following day. Time came to board the bus. It's said that Bella, her father and her mother sat in the front seats whereas Bella's eldest brother sat in the back seat.

As soon as they reached Kampala, their aunt came to pick them. However, the aunt did not know that Bella had travelled with her parents. When Bella was coming from a chapatti stall, she found her aunt greeting her parents. Looking at them, she shed tears because of too much joy.

Kentuha took them to her home in Entebbe and after five minutes, he took them to the airport. Unfortunately, Bella's elder brother who desired to see the airport did not see it because he was left asleep at her aunt's home.
