The best job in my life

That has made me a rich man
From the time I said bye to school
Having completed my Primary Seven.

The job of rearing live stock

That does not need cruel masters
Who torture and hurt animals
Causing too much and unwanted discomfort.

The only job that pays very well

With milk, mutton and beef
Which bring money to me
In addition to my family's good feeding.

I not only feed these animals well

But I also treat the sick ones
So that there is no misery
But happiness and love in the farm.

I would like to for a vacancy in Senior two in your school. I am a male aged sixteen. Currently, I am a student in S.1 in Rock Secondary School.

I my P.L.E in 2019 at God Cares Primary School, Nebbi and passed in Division one. While in this school, I was the foot ball team captain for two years (2018–2019), scored 44 goals in all the football competitions we had in the two years. This made me the top scorer in the district for two consecutive years. My dream is to become a famous footballer in future. Unfortunately, my current school does not take this game seriously. Since your school is the National Champion, I beg you to give me an opportunity to develop my talent.

I will be appreciative to receive your kind response.
