.....

SECTION B

(Questions 51 to 55 carry 10 marks each)

51. Read the passage below carefully in full sentences answer the questions that follow.

Ocen lives in one of the villages in Kaberamaido. He has a large family. He has seven wives and each with four children. Ocen is boastful about the size of his family. He always says that he is the most famous man in the whole of Kaberamaido district.

The large family is an advantage to Ocen. It is just a big labour force on his millet and cassava shambas. Otherwise, he finds problems to provide for the family members.

He has a challenge to raise money to buy clothes for his wives and children. Many of his children roam the village naked. None of his children is at school. His family spends months without eating meat.

The Local Council members are annoyed with Ocen. They have on several times tried to educate him about family planning and having children at school but he has always turned a deaf ear. They plan to arrest and put him in prison for denying his children their rights.

Questions

- a) Which family is being talked about in the passage?

.....
.....

- b) Where does Ocen live?

.....
.....

ii) roam.....

52. Study the poem below carefully and answer the questions that follow in full sentences.

The sun is shining
The sky is blue
The birds are flying
And the breeze is cool.

Mother nature is trying her best
To give nothing but beauty
But what do we do?
Reduce her quality.

Let's make her the best
By polluting less and less
And preserve her green dress
For our kids and the rest

Anon

Questions
