Oh people, we have served you

Since the beginning of the world

Our relatives have been cut by you

Our grand parents were cut by you

Oh people why can't you leave us

Remember that you can't live without us,
The air you breathe is from us
The rain you get is from us
The fruits you eat is from us
The shade you need is from us
Oh people why can't you leave us.

Every where the trees complain
You cut our sons for charcoal

And you cut our sisters for electric poles
Oh people leave us alone
