

SECTION A: 50MARKS

Sub-section I

Questions **1** to **50** carry **one** mark each

In each of the following questions 1 to 5, fill in the blank space with a suitable word.

1. Either Joan Joel will feed the baby.
2. Did you read article which appeared in the papers yesterday.
3. Sugar is normally measured kilograms
4. Number comes after seven.
5. Asio is my because she is a sister to my father.

In each of the questions **6** to **15**, use the correct form of the word given in brackets to complete the sentence.

6. I visited the zoo during Easter holidays (one)
7. Luganda is spoken in Uganda (wide)
8. My friend was on the ear by a wasp. (stung)
9. The plumber reported the of his identity card to the police. (lose)
10. There are teachers than doctors in our country.
(many)
11. He married a wife (beauty)
12. The man who repaired our car is a national. (Kenya)
13. Bbosa is with the shopkeeper to reduce the price of a shirt. (bargain)
14. Disciplined children perform well in class. (usual)
15. Their football team played better than (us)

In questions **16** and **17**, write the **full form** of the given words.

16. he'll

17. Mr.....

In each of the questions **18** to **20**, rewrite the sentences giving **one word** for the underlined group of words.

18. Most markets lack places where animals are slaughtered

.....
.....

19. she is a great writer of poems.

.....
.....

20. The young one of a cow was knocked by speeding car.

.....
.....

In questions **21** and **22**, give the **plural form** of the given words

21. Goose

22. Sister-in law

For questions **23** and **24**, use each of the given words in a sentence to show that you know the difference in their meaning.

23. Meat

.....
.....

24. Meet

.....
.....

In questions **25** and **26**, rearrange the given words in **alphabetic order**.

25. cassava, yam, potatoes, maize

.....
.....

26. river, rain, roof, rise

.....
.....

For questions **27** and **28**, **rewrite** the sentences giving the **opposite** of the underlined words.

27. Mzee Kijana rears cows on his farm

.....
.....

28. It is not good to dress in public.

.....
.....

In questions **29** and **30**, **rearrange** the given words to form a correct sentences.

29. motorist The wear didn't careless his helmet.

.....
.....

30. John's picked Who his from desk pen?

.....
.....

Sub- Section II

In each of the questions 31 to 50, rewrite the sentence as instructed in the brackets.

31. I have to pass this examination highly. (Rewrite the sentence using Must)

.....
.....

32. If Miriam had gone to the internet café, she would have sent an e-mail to Teddy. (Rewrite the sentence using went)

.....
.....

33. She was talking to someone, wasn't she? (Rewrite the sentence ending: was she?)

.....
.....

34. Someone stole my dress. (Re-write beginning: My dress.....)

.....
.....

35. My little sister is very ill. She can't eat any food. (Rewrite as one sentence using: so that)

.....
.....

36. Beda Junior was sewing. The needle pricked him. (Rewrite as one sentence using: while.....)

.....
.....

37. Obonyo has a very kind mother. (Rewrite beginning: What.....)

.....
.....

38. You should say sorry whenever you make a mistake. Rewrite the sentence using: apologise.....)

.....
.....

39. None of the garments was clean. (Rewrite beginning: All

.....
.....

40. An English paper is composed of two sections. (Use....comprises.....)

.....
.....

41. Michael is short. Mathew is very short. (Rewrite as one sentence using: than)

.....
.....

42. Nancy is a hard-working girl. Jane is also a hard-working girl.
(Rewrite as one sentence using both)

.....
.....

43. The mechanic repaired my father's car. (Rewrite the sentence and end: by the mechanic.)

.....
.....

44. Nakubulwa Shalom prefers reading storybooks to playing. (Rewrite the sentence using: more interested)

.....
.....

45. Our school has not organized any tour for two years. (Rewrite the sentence endingago)

.....
.....

46. The journalist needn't have written false reports. (Rewrite the sentence using necessary)

.....
.....

47. We shall have fantastic holidays in Mombasa. (Rewrite the sentence using: going to)

.....
.....

48. Every time I fall sick, I see a doctor. (Rewrite the sentence using whenever)

.....
.....

49. If Luganga does not obey the school rules, he will be expelled from school. (Rewrite the sentence beginning: Lubanga will not)

.....
.....

50. That book is Mary's. (Rewrite using belongs)

.....
.....

SECTION B: 50 MARKS

Questions 51 to 55 carry ten marks each

51. Read the passage below and answer the questions about it in full sentences

That day our teacher Mr.Oguti entered the classroom with a smile on his face. We all wondered what the smile was about. In fact we also found ourselves smiling back.

After greeting us, the teacher said" I am very happy today because our school has been invited for a debate competition at Bright Future Junior School. The debate is going to take place on Friday. The motion will be "**Education is better than wealth,**" Our school will be on the proposers side. The chairman will be Rv. Manyike David. The letter says that the winning school will be given a big bull by the Honourable Member of parliament.

This news excited all of us. We clapped and danced assuring our teacher victory. Amidst this excitement, the teacher said, I am sure we can win this debate if we prepare ourselves properly.

The first thing is to know all the procedures of a debate and the office bearers. The most important person in a debate is the chairperson. He is in charge of the procedure of the debate. All the speakers must get permission from him. The next in command is the secretary. The one records the points raised by both sides. The proposers speak in favour of the motion while the opposers speak against it. The other important person is the time keeper. He/she is in charge of managing time.

In modern debate, there is a person called a chief ship. His/her role is to enforce discipline in the house. The people in the House are referred to as the audience.

- a) What is the passage about?

.....
.....

b) When will the debate take place?

.....
.....

c) Why was Mr.Oguti happy that day?

.....
.....

d) What role does a secretary play in a debate according to the passage?

.....
.....

e) Mention any two officials talked about in the passage apart from the secretary.

.....
.....

f) What is the motion of the debate?

.....
.....

g) What role will Rev. Manyike David play during the debate?

.....
.....

h) Write Rev. in full.

.....
.....

i) Who ensures discipline in a modern debate?

.....
.....

52. Read the poem below and in full sentence answer the questions that follow.

Mr. Musumba, the Mechanic
So trust worthy unlike others
You repair my father's vehicle with a lot of care
When it breaks down

The nice mechanic
With spanners and screw drivers
All kept in your tool box
That you carry on your bicycle

At your garage vehicle spares are in plenty
For people to buy and replace the spoilt parts
I admire you Mr. Musumba
For you make a lot of money

How I wish you could teach me vehicle repair
To make money during the holidays
And relieve my father of the pocket money
I badly need it when school resumes.

Questions

a) What does Musumba do?

.....
.....

b) Which tools does Mr. Musumba use?

.....
.....

c) Where does Mr. Musumba keep his tools?

.....
.....

d) What does Mr. Musumba use to travel?

.....
.....

e) What do people buy at Mr. Musumba's garage?

.....
.....

f) Why does the poet admire Mr. Musumba?

.....
.....

g) What does the poet wish to learn?

.....
.....

h) When does the poet wish to make money?

.....
.....

i) Why does the poet want to make money?

.....
.....

j) Suggest a suitable title for the poem.

.....

53. Study the notice below carefully and in full sentences, answer the questions that follow.

ATTENTION! ATTENTION! ATTENTION!

ONE BY ONE GROUP PRESENTS.

PLAY: WALKING IN SPACE

DATE: TUESDAY, 28TH NOVEMBER,2023

VENUE: NATIONAL THEATRE.

TIME: 3:00PM – 5:00PM

CHARGE: ADUILTS – SHS 5000

CHILDREN- SHS 2000.

ALL INVITED, DON'T MISS!!

MANAGEMENT

10/09/2023

a) Which group is going to present the play?

.....
.....

b) When will the play be on stage?

.....
.....

c) At what time will the play start?

.....
.....

d) For how long will the play last?

.....
.....

e) Which people have been invited to the play?

.....
.....

e) When will the play end?

.....
.....

g) How much will a school boy of Seeta Parent's school pay if he wants to attend?

.....
.....

h) Where will the play take place?

.....
.....

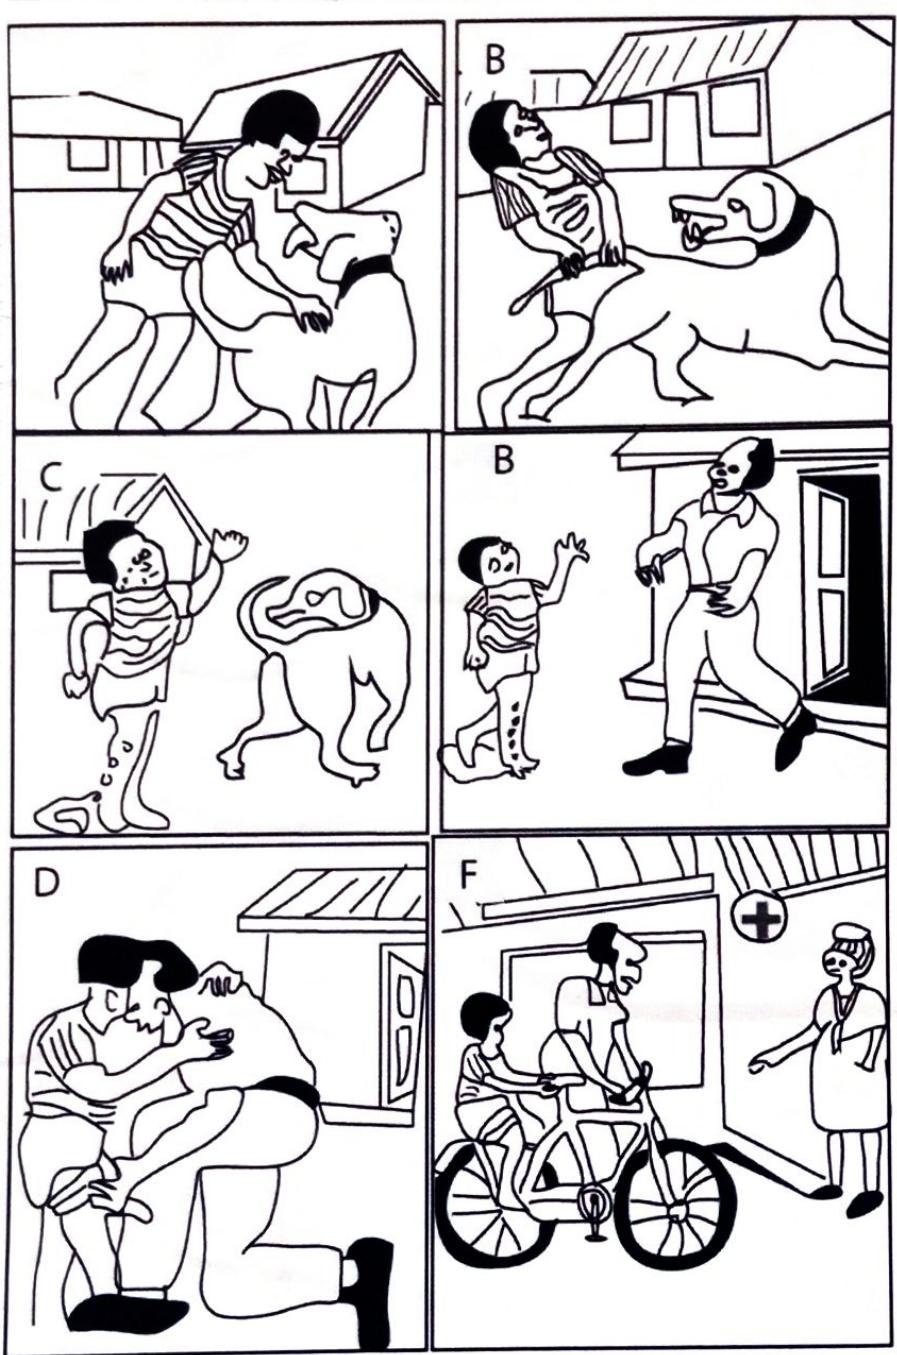

f) Who put up the above notice?

.....
.....

j) When was the notice written?

.....
.....

54. Pictures A-F tell a story. Study them and write one sentence to describe what is happening in each picture. You may use the following words to guide you. **Boy, dog, bitten, clinic, bicycle, help, father, pulling, leg, tying, playing, crying**

(a) Picture

(b) Picture B:

.....
.....

(c) Picture C:

.....
.....

(d) Picture D:

.....
.....

(e) Picture E:

.....
.....

(f) Picture F:

.....
.....

(g) What mistake has the boy made in Picture B?

.....
.....

(h) Where is the man taking the boy in Picture F?

.....
.....

(i) What feeling do you think the boy had towards the dog afterwards?

.....
.....

(j) Suggest a suitable title for the story.

.....

55. Imagine you were playing with a friend in the classroom at lunch time. While playing, you accidentally hit a windowpane with a ball and it broke. write an apology letter to your **class teacher**. Ask **him** for forgiveness. Tell **him** what happened. Mention that you will talk to your parents to replace the windowpane. **Promise** never to play in class the classroom again.

SECTION A: (40 marks)

1. Subtract: 5 9 7

$$\begin{array}{r} - 3 5 3 \\ \hline \end{array}$$

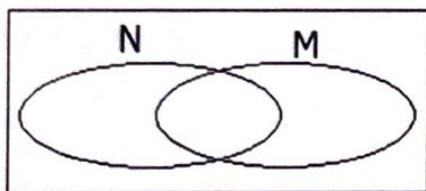

2. Write **one thousand one** in figures.

.....
.....

3. Write the next **two** numbers in the sequence.

1, 3, 6, 10, ,

4. Shade (MUN) on the Venn diagram

5. A trader bought $10\frac{1}{2}$ kg of sugar and packed them in $\frac{1}{2}$ kg packet. How many packets did the trader pack?

6. The complement of $(k-25^{\circ})$ is $(2k+10^{\circ})$. Find the value of k
7. The distance between the dormitory and the dining hall is 450 metres. If Darius runs at a speed of 50 m/s, how many minutes does he need?
8. Solve the inequality and write the solution set for;
 $3p + 10 \leq 4$
9. Simplify: $\overline{6} + \overline{4}$

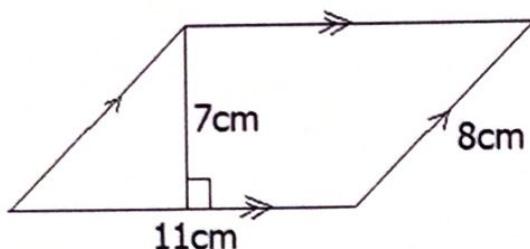

10. The bearing of Q from P is 065° . Find the bearing of P from Q.

11. If set A = {a, cat}. How many subsets can be got from set A?

12. Simplify: $\frac{p^5 \div p^2}{p^7}$

13. Using a ruler and a pair of compasses only, construct an angle of 120° .

14. Below is a parallelogram. Calculate its area.

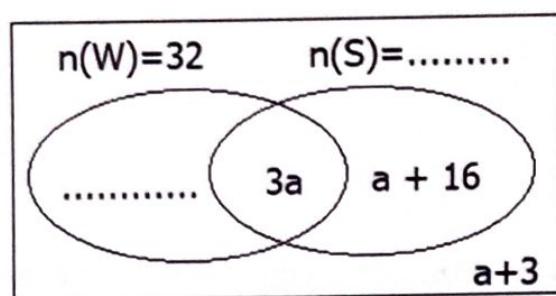

15. A bicycle wheel of diameter (y) cm made 2000 revolutions after covering a distance of 2.2 kilometres. Find the value of y
16. Mubiru's salary was increased by sh. 30,000 to sh. 150,000. In what percentage did his salary increase?

17. Change 13_{ten} to binary base.
18. The Greatest common Factor of two numbers is 6 and their lowest common multiple is 360. If one of the numbers is 30, find the second number.
19. Find the median of 6, -1, -3, 4 and 0
20. Express 144 km/hr as metres per second.

SECTION B: (60 marks)

21. During the teachers' workshop, some teachers took soda (S), some took water (W), while others decided not to take any of the two drinks as shown in the Venn diagram below.

- a) Complete the Venn diagram below. (2 marks)

- b) If the number of teachers who took water is equal to the number of those that took soda only, find the value of a (2 marks)

- c) Find the probability of picking of a teacher that took none of the above drinks to present. (2 marks)

22. A tax driver uses 10 litres of petrol for every 60km.

a) How much petrol does he need for a journey of 240km? (2 marks)

b) If one litre of petrol costs sh.5000. How much money will he spend on petrol needed to run the tax for 2hours at a speed of 60km/hr?
(3 marks)

23. a) Given that $58_k = 104_{\text{seven}}$, find the value of k. (03 marks)

b) Find the **sum** of value of 4 and value of 3 in 3549. (3 marks)

24. The rates at which the bank buys and sells other currencies in Uganda are as below.

Currency	Buying rate	Selling rate
Pound sterling (£1)	Ug.sh. 4000	Ug.sh. 4200
Us dollar (\$1)	Ug.sh. 3060	Ug.sh. 3100
Kenya sh. (Ksh.1)	Ug.sh. 25	Ug.sh. 30

a) If a trader had \$ 430 and Ksh.20, how much money did he have in Uganda shillings? (3 marks)

b) The trader bought a radio at Ugh. 168,000. How many pound sterlings did he pay? (2 marks)

25. Given the number 35.72, use it to answer the questions that follow.

a) Write the above number in words. (2 marks)

.....
.....

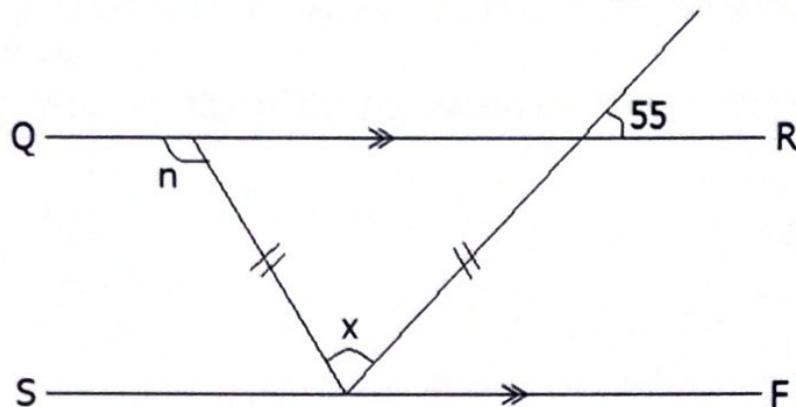

b) Round it off to the nearest ones. (2 marks)

c) Expand the above number using place values. (2 marks)

26.a) Simplify: $3(2a + 3) - 2(a + 4)$ (2 marks)

b) Given that $\frac{1}{5}$ of the number of boys in P.6 is equal to $\frac{1}{4}$ of the number of girls in P.7, find the number of boys in P.6 if there are 320 girls in P.7. (3 marks)

27. The diagram below shows QR parallel to SF. Use it to answer questions about it.

a) Find the value of X . (03 marks)

b) Work out the size of angle n (02 marks)

28. In a village, $\frac{1}{3}$ of the population are children, 25% of the remaining population are male adults. The rest of the population are female adults.

a) What fraction of the population are female adults? (3marks)

b) If there 150 female adults, what is the total number of people in that village? (2 marks)

29. a) Work out:
$$\frac{0.24 \times 0.3}{0.06}$$
 (3 marks)

b) Simplify: $\frac{1}{2} - \frac{1}{3} + \frac{1}{4}$ (2 marks)

30. a) Using a pair of compasses, a ruler and a sharp pencil, construct a triangle ABC where line AB = 7cm. $\angle BAC = 60^\circ$ and $\angle ABC = 45^\circ$.
(4marks)

b) Measure angle C (1 mark)

31. Study the frequency table below and use it to answer questions that follow.

Marks scored	Number of pupils	Total marks
3	4	12
.....	7	28
5	30
6	3

a) Complete the above table. (3 marks)

b) Find the average mark scored. (2 marks)

32. Daviana moved from town K on a bearing of 060° to town L which is 50km away. She later turned on a bearing of 120° and went to town M. Given that town M is 65km away from town L.

a) Draw a sketch diagram showing three towns. (1 mark)

b) Using a scale of 1cm to represent 10km, draw an accurate diagram showing three towns. (4 marks)

c) Measure the shortest distance town K and town M. (1 mark)

END

SECTION A (40 Marks)

1. Name any one group of organisms involved in soil formation.

.....

2. How can parents protect their children against kwashiorkor?

.....

.....

3. What is the importance of a shade on a nursery bed?

.....

.....

4. State one way in which plants depend on animals in the environment.

.....

.....

5. Of what function are flowers to a plant?

.....

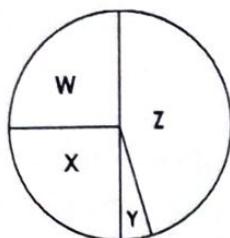

.....

6. Write any one principle of Primary Health Care.

.....

.....

The pie chart below shows approximate basic composition of soil (**air**, **humus**, **rock particles** and **water**). Use it to answer questions **7** and **8**

7. Name the component of soil represented by letter Y.

.....

8. By what process is component represented by letter Z formed?

.....

9. State one characteristic of seeds dispersed by water.

.....

10. How do tapeworms lead to malnutrition?

.....

11. Name the gas that is used by leguminous plants to make proteins.

.....

12. Identify any one state of matter through which heat travels by convection.

.....

13. Why is it important to give first aid to a casualty?

.....

14. Why should a living house have proper ventilation?

.....

15. Why should garden tools be cleaned every after use?

.....

16. Write one characteristic of arthropods.

.....

17. Mention any one common primary sex characteristic in boys and girls.

.....

.....

18. Why do farmers prefer rearing cross breeds to exotic breeds of animals?

.....

.....

19. By what process do plants make their own food?

.....

.....

20. Why can't a leaf sink in water?

.....

.....

21. Why is brushing teeth a good health practice?

22. Write down one activity a farmer can do in the wet season.
-

Study the diagram below and answer the question that follows.

23. Name one bird that has such type of foot.
-

24. Name the human organ for tasting.
-

25. How does bush burning cause soil erosion?
-

26. State any one danger of improper use of a toilet.
-

27. Point out any one sign of marasmus in infants.
-

28. Name the mineral salt responsible for formation of blood.
-

29. Why should a poultry house be kept clean and dry?

.....
.....

30. Where does the digestion of food begin in man?

.....

31. Name the component of blood affected by plasmodia.

.....

32. Identify any one characteristic of underground stems.

.....

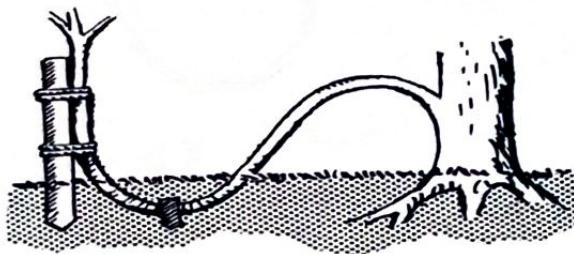

33. How are birds able to overcome viscosity during flight?

.....

34. State one effect of smoking to a pregnant woman.

.....

The diagram below shows a method of propagation. Study it and answer the question that follows.

35. Name the method of plant propagation shown in the diagram above.

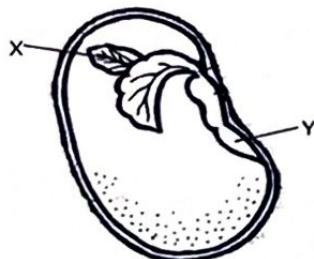

.....

36. The kinetic energy of the molecules in gases is greater than the attractive force between them. How does this property affect the molecules in gases?
-
.....

37. State one structural difference between a cock and a hen.
-
.....

38. Give one way in which drug prescription is important.
-
.....

The diagram below is of a bean seed. Use it to answer questions 39 and 40.

39. Name the part marked X.
-
.....

40. Name the part that allows water and air into the seed during germination?
-

SECTION B (60 Marks)

41. a) What is meant by the magnetic field as used in magnets?

.....
.....

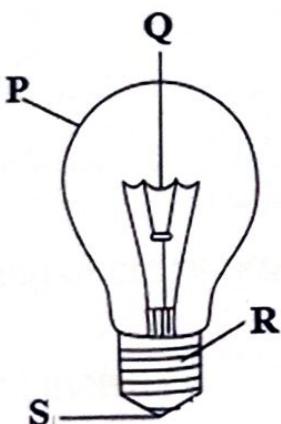

- b) State any one property of magnets.

.....
.....

- c) Give any two materials which can be attracted by a magnet.

- (i).....
(ii).....

- 42 The diagram below shows an electric bulb. Use it to answer the questions that follow.

- (a) Name the part marked P

.....

(b) Why is part marked Q coiled?

.....

.....

(d) State the energy transformation that takes place in the bulb when it is working.

.....

43. (a) Write brief notes on each of the following terms;

(i) Pruning

.....

(ii) Thinning

.....

(b) How does mulching of crops promote the following:

(i) Conservation of soil moisture

.....

(ii) Improving soil fertility

.....
.....

44(a) Which blood group do each of the following people have?

(i) Universal donor

.....

(ii) Universal recipient

.....

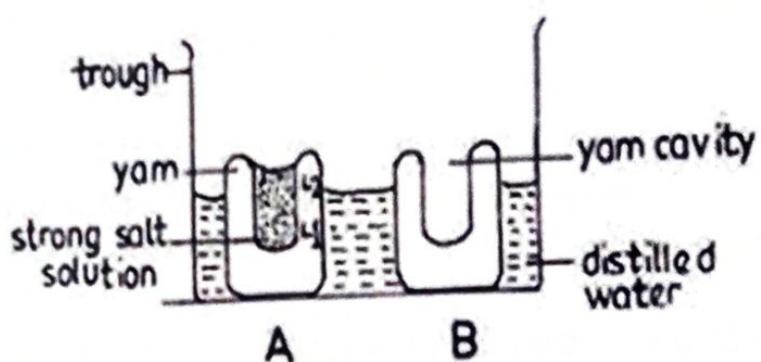

(b) Give a reason why blood should be screened before
transfusion

.....
.....

(c) State any one function of blood in the body.

.....
.....

45. The diagram below shows one of the processes in plants.
Use it to answer the questions that follow.

a) Identify the process illustrated above.

.....
b) What does the peeled yam represent?

.....
c) How important is the above illustrated process to plants?

.....
d) Define the term transpiration.

46. a) Give any two disease vectors whose life cycle passes through water.

(i)
(ii)

b) State any two diseases caused by poor sanitation in an area.

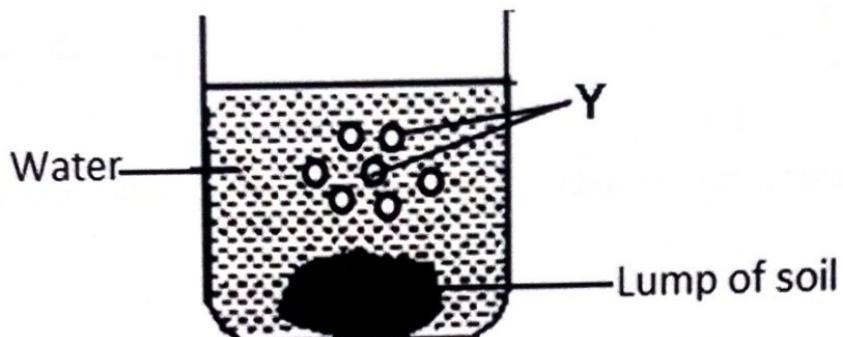

(i).....

(ii).....

47. Study the table below and fill in the gaps

Part of the body	Enzyme produced	Food acted upon
.....	Salivary amylase	Carbohydrates
Stomach	Proteins
Duodenum	Lipase
.....	Maltase	Maltose

48. The diagram below shows an experiment about soil. Use it to answer question that follow.

(a) What does the experiment above show about soil?

.....

(b) Name the structures marked Y.

.....

(c) Identify any two components of soil.

(i)

(ii)

49. a) Write one type of poultry reared in Uganda.

(i)

(ii)

(b) Why is poultry called a business?

.....

.....

(c) State one cause of poultry vices.

.....

(d) Give any one way farmers control vices on their poultry farms.

.....
.....

50. (a) Which type of immunity is got through immunization?

.....

(b) Give one method used to administer vaccines to babies.

.....

(c) How is a child health card useful to the;

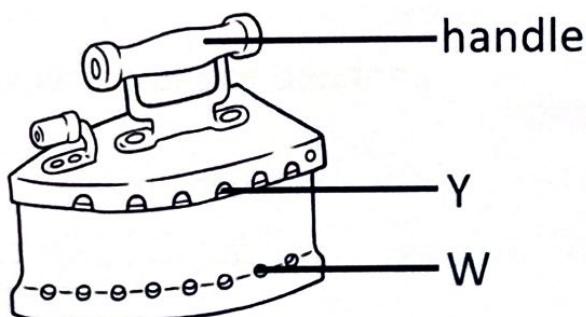

(i) Mother

.....

(ii) Nurse

.....

51. The diagrams below shows an item commonly used at home. Use it to answer the questions that follow.

(a) Give the use of the above tool at home.

.....
.....

(b) How are the holes marked **W** and **Y** useful to the tool?

(i) **W**.....
.....

(ii) **Y**.....
.....

(c) State the common material used to make the handle of
the above tool.

52. a) Give two examples of chemical changes

(i).....
(ii).....

(b) Write down one characteristic of physical changes.

(c) State one importance of biological changes in the
environment.

53. a) Give two diseases which attack bananas.

(i).....
(ii).....

(b) State any one way of controlling diseases in a banana
plantation.

(c) Why do farmers carry out mulching in a banana plantation?

.....

54. a) Give two ways water can be polluted.

(i)

(ii)

(b) How can water pollution be controlled?

.....

(c) State one danger of water pollution in the community.

.....

55. Match the items in list A to their meaning in list B.

LIST A	LIST B
Capacity	- The space occupied by an object.
Volume	- The amount of matter in an object.
Mass	- Gravitational force acting on an object.
Weight	- Amount of liquid a container holds.

(i) Capacity

(ii) Volume

(iii) Mass

(iv) Weight

END

SECTION A (40 MARKS)

1. Name one local material used to make doors.

.....

2. Apart from easy identification and smartness give any other reason why school children wear uniform?

.....

3. How does a school benefit its neighbouring community?

.....

4. How is Lake Victoria similar to Lake Kyoga in terms of their formation?

.....

5. Name the best form of transport to transport perishable goods to U.K.

.....

6. Mention one modern means of transporting water to homes.

.....

7. State any one effect of earthquakes to buildings.

.....

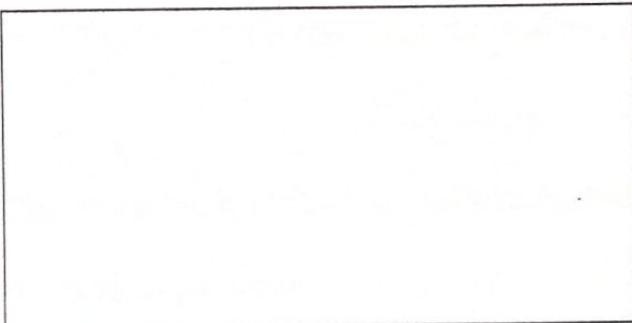

8. State any one activity carried out during school assembly.

.....

9. Who was the first female Ugandan to join LEGCo?

.....

10. Draw a symbol for a quarry in the space provided.

11. Why is Uganda divided into many districts?

.....

12. Name the grassland found in South Africa.

.....

13. How did Sir. Philip Mitchel contribute to the education sector in Uganda?

.....

14. What proof is there to show that Lake Victoria is on a higher altitude than Lake Kyoga?

.....

15. Why is it wrong to say that John Speke was the first person to see the source of river Nile?

.....

16. Name the physical feature that covers most part of Uganda.

.....

17. What is a constitution?

.....

18. Give the local material used for making ropes.

.....

19. Why were most African leaders defeated by the colonial leaders in all their attempts to resist them?

.....

20. How did Kwame Nkrumah contribute to the independence of Ghana?

.....

21. What is the meaning of the term altitude?

.....

22. State one way of preserving the environment apart from afforestation.

.....

23. Mention any one role of the Prisons in Uganda.

.....

24. Why is rainfall measured in millimeters?

.....

25. Give one reason why people fail to meet their needs.

.....

26. Who is the political head of a Municipality?

.....

27. Write UNEB in full.

.....

28. Name the commonest water weed which hinders navigation on Lake Victoria.

.....

29. Why was the bird below chosen to be the Emblem of Uganda?

30. How is child abuse dangerous to children?

.....

31. Which group of people introduced long-horned cattle?

.....

32. Give any one type of a desert in Africa.

.....

33. Why was the Uganda national anthem not sung in 1960 on functions?

.....

34. How does rural urban migration affect rural communities?

.....

35. Mention any one problem faced by Gezira Irrigation Scheme.

.....

For questions 36-40, answer either Christianity or Islamic but not both.

36. Either: Why is water used during baptism?

.....

Or: Why is water used during ablution?

.....

37. Either: What do Christians do to avoid distraction during prayer?

.....

Or: What do Muslims do to avoid distraction during prayer?

.....

38. Either: Mention any one gift of the Holy Spirit.

.....

Or: Mention any one prayer performed by Muslims daily.

.....

39. Either: Name the lake where Jesus called Simon Peter and Andrew.

.....

Or Name the place where Allah revealed the Qur'an to Prophet Muhammad.

.....

40. Either: Why should Christians/Muslims give help to the needy people?

.....

SECTION B (60 MARKS)

41. a) Mention one reason why the British used indirect system of rule in Uganda.

.....

b) Give any two ways the British colonialists developed in Uganda.

i)

ii)

c) Name any one African country which was not colonized.

.....

42. a) What is population density?

.....
.....

b) Mention any two advantages of a large population to a country.

i)

ii)

c) Name the East African country which is most densely populated.

.....

43. a) What is decentralization?

.....
.....

b) Give any two advantages of decentralization.

i)

ii)

c) Give any one duty of a Resident City Commissioner (RCC)

.....

44. a) What are social activities?

.....

b) Give any two social activities in Uganda.

i)

ii)

c) State any one importance of social activities.

.....

45. a) In which country did the Mau Mau rebellion take place?

.....

b) State any one cause of MauMau rebellion.

.....

c) Give any one reason why MauMau rebellion took long to end.

.....

d) Why did the French use assimilation policy in their countries of governance?

.....

46. a) Write LEGCO in full.

.....

b) Give any one reason why LEGCO was formed.

.....

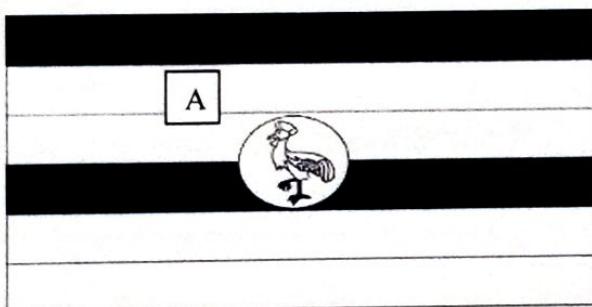

c) Name any one African to join LEGCO in Uganda in 1945.

.....

d) Mention any one reason why Ugandans were not happy with the formation of LEGCO during colonial rule.

.....

47. Use the Uganda flag below to answer the questions that follow.

a) Name the colour marked A on the Uganda flag above.

.....

b) Why is the bird in the centre of the flag above standing on one leg?

.....

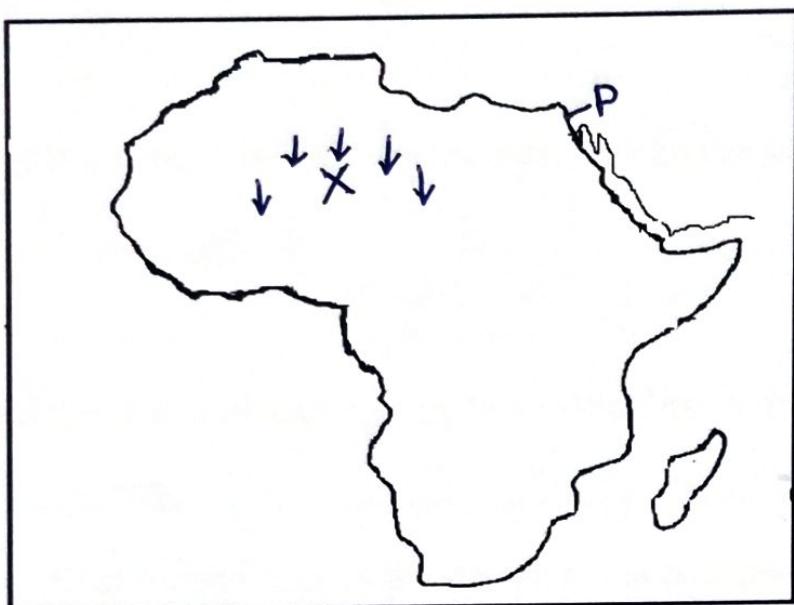

c) Which flag was used in Uganda before the above flag was introduced?

.....

d) How is the above flag respected in Uganda?

.....
