They competed in set pieces, instrumental compositions, sight singing, traditional folk songs and traditional folk dances.

participated in it. A few items were presented per day. The competitions were very stiff as most of the choirs had done enough practice. At the end of the week, the adjudicators commented on the different presentations before they announced the winners. My school choir won these competitions and was given a trophy. Jubilations filled the air when the trophy was brought to school. The teachers and the school children danced around in the school compound.
