51.	Section B. (50 Marks) Read the passage below carefully and answer the questions about it in full sentences.
	My name is Nakityo Milly. I am in Primary five at Nkindu Primary School. Last term we learnt about travelling. Our teacher of English language, Mr. Obina James taught us the benefits of travelling. These include; exploring important places, refreshing our minds, and creating friendship. I wanted to enjoy all those benefits, so I decided to visit my grandmother in Bukasa Village.
	I shared the idea with my mother and father. They welcomed my idea and promised to support me with all transport costs. We all agreed that I should travel on 17th August 2023 a day after breaking up for holidays. My father paid the fare immediately to the offices of Baby Coaches. He came back home with my bus ticket. I went shopping with my mother. I bought clothes, garden boots and gloves in preparation for garden activities. I also bought sugar, bars of soap, five kilograms of rice and loaves of bread as gifts for my grandmother.
	On the day of travelling, I woke up at 3:00a.m. I was surprised to find my mother already awake packing my luggage. I bathed very fast and I had my breakfast. After breakfast, I was ready for the journey. My mother and my father escorted me to the bus stop. The bus arrived at 6:00a.m. I showed my ticket to the conductor. He then put my luggage in the boot and allowed me to board. After boarding the bus, my mother and my father said, "Good bye, our daughter"
	I sat in a front seat near the door. I said my prayer. After the prayer I enjoyed watching all the towns we passed through. Different passengers bought snacks at different stop overs. I was lucky because whoever bought at least shared with me. I <u>reached</u> my destination safely and found my grandmother waiting for me at the bus stop.
